- What have you done since the last scrum meeting?
Since the last scrum meeting we have received approval for our project.
- What is planned to be done until the next scrum meeting?
Starting planning and working on the project.
- What are the hurdles?
Communications.

Student: Albert Santalo

- What have you done since the last scrum meeting?
Working on the project for the presentation
- What is planned to be done until the next scrum meeting?
Starting on the Presentation
- What are the hurdles?
Communications can be difficult for the most part, and the software is hard to work on

Student: Jonathan Gonzalaz

- What have you done since the last scrum meeting?
Met up with the team again to discuss missing functionalities.
- What is planned to be done until the next scrum meeting?
Complete at least one of the features in our objectives.
- What are the hurdles?

Just technical things like debugging and coding.

Student: Edward Montes

- What have you done since the last scrum meeting?

Updated header, pushed night audit page to github.

- What is planned to be done until the next scrum meeting?

Continue to work on php, adding functionalities, and updating the documentation.

- What are the hurdles?

Communication with the team.
