

Daily Scrum Meeting Minutes

Attendees

Obilio Cardozo
Andrea Matos
Michal Rodney
Katherine Barrios
Genaro Brito

Start time: 12:00 pm
End time: 1:00 pm

Andrea Matos

How many hours did I work since the last meeting?

1

What was done since the last scrum meeting?

Since our last meeting, we completed our sprint planning. We assigned story points to tasks and assigned tasks to each member of the team.

What is planned to be done until the next scrum meeting?

I will start working on my story points and remain in contact with my team.

What are the hurdles?

We are still navigating our new team dynamic and exploring the concept of our project. The first sprint will pace us and make us familiar with our pace as a team.

Genaro Brito

How many hours did I work since the last meeting?

1

What was done since the last scrum meeting?

Last meeting, I helped the team organize what to do and how we plan to do work.

What is planned to be done until the next scrum meeting?

I plan on helping the team decide on the programming languages and APIs available to us.

What are the hurdles?

A significant hurdle is finding what APIs will work the best for us.

Michal Rodney

How many hours did I work since the last meeting?

1

What was done since the last scrum meeting?

Discussing how our user stories will affect the outcome of our project

What is planned to be done until the next scrum meeting?

Going to research Google extensions that we can use as inspiration and also API that will assist us

What are the hurdles?

Finding time where all members are available.

Obilio Cardozo

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - We still talk about our possible project and what language we should use to make it.
- What is planned to be done until the next scrum meeting?
 - For now we wait for confirmation.
- What are the hurdles?
 - None.

Katherine Barrios

How many hours did I work since the last meeting?

1

What was done since the last scrum meeting?

Decided the dynamic of the group and the functionalities of the project

What is planned to be done until the next scrum meeting?

Start researching and planning out how we will develop the extension

What are the hurdles?

All good so far
