What was done since the last scrum meeting?

We had our backlog meeting to ensure that we have paced ourselves accordingly and to come together as a team and officially mark our progress throughout this sprint.

What is planned to be done until the next scrum meeting?

Continue working on user stories.

What are the hurdles?

This week is a holiday week. There is a lot of confusion on submissions and it is making it difficult to plan out the week. Our team is handling it well, but the confusion is unwelcome.

Genaro Brito

How many hours did I work since the last meeting?

1

What was done since the last scrum meeting?

Last meeting, I coded some of the foundations to my code

What is planned to be done until the next scrum meeting?

I plan on finishing up the base code to get it fully working

What are the hurdles?

A significant hurdle is getting the code in a working state on time

Michal Rodney

How many hours did I work since the last meeting?

1

What was done since the last scrum meeting?

Worked on creating additional user stories and explored how they align with our project goals.

What is planned to be done until the next scrum meeting?

Refine the new user stories and prioritize them based on impact and feasibility.

What are the hurdles?

Ensuring the user stories I can contribute are realistic and contribute meaningful value to the project.
