Start time: 6:30 pm
End time: 7:00 pm

Andrea Matos

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - We opened the new sprint with changes to our project. We will be doing a website.
- What is planned to be done until the next scrum meeting?
 - Decide what languages we will use and hopefully get some of the base code started.
- What are the hurdles?
 - None so far.

Genaro Brito

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Last meeting, I did some features to help detail my code more
- What is planned to be done until the next scrum meeting?
 - I plan on polishing and finalizing the code.

- What are the hurdles?
 - A significant hurdle is making sure that nothing breaks in the code

Michal Rodney

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Focused on how user stories shape structure and started researching design approaches.
- What is planned to be done until the next scrum meeting?
 - Keep researching ways to link stories with layout.
- What are the hurdles?
 - Balancing simplicity with full feature coverage.

Obilio Cardozo

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - We discuss how to develop our project and is going to be a Chrome extension.
- What is planned to be done until the next scrum meeting?
 - Focus on working on this project and talk about it in our meetings.
- What are the hurdles?
 - None.

Katherine Barrios

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - We are going to look into how we are going to develop the website since we have changed the project a bit. Talked about the goals for this sprint
- What is planned to be done until the next scrum meeting?

- Continue research on how to develop the project
- What are the hurdles?
 - None.
