The following user stories were created/discussed/refined/prioritized.

- User story 5: As a user, I'd like to have a main menu to be able to choose a game
- User Story 6: As a user, I'd like to play the *Grandfather Passage*
 - Read the passage shown aloud and record audio
 - Show the instructions, hide the instructions
 - End recording and submit
- User Story 7: As a user, I'd like to play the *Memory Game* **DONE**
 - Flip the cards (two at a time) to find all matching pairs of images in as few taps as possible.
 - Cards should stay flipped for at least a second
 - Cards matched should stay flipped permanently
 - Show the instructions, hide the instructions
 - Play game and submit
 - (Optional) Haptic feedback
 - (Optional) Show that you've completed the activity
- ~~• User story 8: As a user, I'd like to play the *Narration Reading game* (Unprioritized)~~
 - ~~◦ Read the sentence shown aloud. Record audio~~
 - ~~◦ Show/hide instructions~~
 - ~~◦ Submit audio~~
 - ~~◦ Submission returns to main menu~~
- User story 9: As a user, I'd like to play the *Target Game*
 - Tap as many targets as you can within 30 seconds
 - Show/hide instructions
 - Count down 30 seconds and tap as many as possible
 - Submit attempt
 - Submission returns to main menu
- User story 10: As a user, I'd like to play the *Color Test*
 - Say the color aloud of the following words, not the word itself
 - Show/hide instructions
 - Correctly speaking should immediately change the picture
 - Not correctly speaking it should change

- Submission returns to main menu
- User story 11: As a user, I'd like to play the *Picture Test*
 - Say the picture aloud as they show
 - Show/hide instructions
 - Correctly speaking should immediately change
 - Not correctly speaking it should change the picture
 - Submission returns to main menu
- User story 12: As a user, I'd like to play *Connect The Dots*
 - Connect each node in order of their corresponding number
 - Show/hide instructions
 - Should be able to redo
 - Submission sends to Firebase
 - Submission returns to main menu
- User story 13 As a user, I'd like to play the *Visuospatial Test (Unprioritized)*
 - Draw a line connecting the shapes in increasing numerical order from 1-10.
 - Show/hide instructions
 - Each node has shapes and numbers, but only the numbers matter
 - Should be able to redo
 - Submission sends to Firebase
 - Submission returns to main menu
- User story 15: As a developer, I'd like to be able to reference a Figma design for each part of the system.
- User story 16: As a user, I would like to be able to skip login if I have already logged in before.
- User story 17: As a user, I would like to be able to navigate the main menu and play any of the games available.

The user stories below are completed.
