

Daily Scrum Meeting Minutes: 15

Attendees: Sam, Carlos, Dorreen, Austin

Start time: 10:00AM

End time: 12:00PM

Austin:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Sprint Planning meeting
 - Started focusing on user story 7
- What is planned to be done until the next scrum meeting?
 - Continue focusing on story 7
- What are the hurdles?
 - Getting application done in 4 weeks

Sam Farajzadeh

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - began implementing grand father passage and the abstract game class for all games that will be made.
- What is planned to be done until the next scrum meeting?

- finish the grandfather passage game, design flow for the data collection
- What are the hurdles?
 - better understanding flutter's unique implementation of abstract classes and 'implicit' interfaces, designing the system for datacollection

Dorreen Vahidiazar:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - worked on the target game
- What is planned to be done until the next scrum meeting?
 - improve the target game
- What are the hurdles?
 - figuring out the connection of classes

Carlos Sanchez:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Worked on the main menu and prototypes the memory game.
- What is planned to be done until the next scrum meeting?
 - Clean the memory game's UI and create a pull request for team to review.
- What are the hurdles?
 - Understanding the logic of the game's services and what data is stored.
