

Daily Scrum Meeting Minutes:

Attendees: Blake Schneringer, Semen Kolesnykov, Deris A Leon Carrillo, Archer Amon, Enrique Dominguez

Start time: 21:30

End time: 22:30

Semen Kolesnykov:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - I met with the team to wrap up our discussion on the Project Planning and Project Artifacts assignments. We confirmed that everyone had chosen their respective artifacts to work on. Afterward, I began working on the Use Case Diagram to outline how users will interact with our AI Resume Generator. I also started drafting the Test Suites, which will help us organize our testing process and ensure we properly validate the system's features..
- What is planned to be done until the next scrum meeting?
 - I plan to continue refining the Use Case Diagram to make sure it fully covers all of the key interactions. I also intend to finish the initial draft of the Test Suites to ensure we have a solid foundation for testing as we move forward.
- What are the hurdles?
 - None

Deris A Leon Carrillo:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Worked setting up 3rd parties APIs. Started designing the master prompt for the completion
- What is planned to be done until the next scrum meeting?
 - Meet with the team to discuss initial back end development. Continue setting up 3rd parties APIs. Finish designing the master prompt.
- What are the hurdles?
 - None.

Blake Schneringer:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Went over the technicalities of planning the scrum and the project in github. Continued to discuss our design process.
- What is planned to be done until the next scrum meeting?

- Think and plan the architecture of our project more in depth and completely and work on the document outlining this process
- What are the hurdles?
 - So far everything is moving smoothly without hurdles

Archer Amon:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Made more progress on planning design process and first steps to be coded with team
- What is planned to be done until the next scrum meeting?
 - Begin coding the base app structure
- What are the hurdles?
 - Understanding the most logical development structure and timeline

Enrique Dominguez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Began discussing the work load and how it was going to be divided. I got assigned with the user stories
- What is planned to be done until the next scrum meeting?
 - To work on your assigned task. Then discuss together once we all completed our tasks.
- What are the hurdles?
 - None at the moment
