<Giovanni Derisca>:

- How many hours did I work since the last meeting?
 - 2
 - What was done since the last scrum meeting?
 - I spent time testing prompt variations and checked how the AI responds to different question types. I also cleaned up some of the backend logic so it's easier to plug in subject-based topic filtering later.
- What is planned to be done until the next scrum meeting?

Going to focus on organizing the knowledge base content into categories so we can improve how the bot pulls study-related responses. I'll also look into adding metadata for each entry

- What are the hurdles?
- None at the moment.
