<Giovanni Derisca>:

- How many hours did I work since the last meeting?
 - 2
 - What was done since the last scrum meeting?
 - I started working on fine-tuning prompts and explored different ways to structure responses using open-source models. Also looked into setting up the foundation for storing and organizing a knowledge base.
- What is planned to be done until the next scrum meeting?

I plan to build out a basic retrieval system and connect it to the knowledge base so we can start testing how well it returns relevant answers. If there's time, I'll also test prompt variations for accuracy.

- What are the hurdles?
- None at the moment.
