<Giovanni Derisca>:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Made some progress on the backend by getting the knowledge base to store entries properly and started testing how well the system returns relevant answers based on prompts

What is planned to be done until the next scrum meeting?

Retrieval system is working but I need to improve the accuracy and fine-tune prompt formatting so it works better with different input styles

- What are the hurdles?
- None at the moment.
