

Daily Scrum Meeting Minutes:

Attendees: Ryan Blanco, Chris Medina, Nicholas Llontop, Roy Molina

Start time: 6:30PM

End time: 7:00PM

<Ryan Blanco>:

- How many hours have I worked since the last meeting?
 - 1.5
- What was done since the last scrum meeting?
 - Begin working on implementing a text-to-speech voiceover to the chatbot's responses. Created new code that allows the chatbot to speak to the user.
- What is planned to be done until the next scrum meeting?
 - Continue testing the ElevenLabs API and ensure it works well with the current OpenAI API and the Phonely API that is about to be implemented.
- What are the hurdles?
 - No hurdles.

<Chris Medina>:

- How many hours have I worked since the last meeting?
 - 1 hour 30 minutes
- What was done since the last scrum meeting?
 - Begin looking into the implementation of Phonely to create an AI receptionist that can provide the user with a phone number to allow them to call the chatbot and streamline the conversation process.
- What is planned to be done until the next scrum meeting?
 - Implement a way to connect to the Phonely API and provide the user with a phone number to call the AI upon receiving a PDF document.
- What are the hurdles?
 - Trying to find a way to get all the APIs implemented into the code to work together properly.

<Nicholas Llontop>:

- How many hours have I worked since the last meeting?
 - 1 hour, 30 minutes
