

Daily Scrum Meeting Minutes:

Attendees: Jose Manuel Hermida-Larios, Valerie Hernandez, Diego Jones, Matthew Larrosa, Alex Narvaez-Echeverria

Start time: 9:45pm

End time: 10:25 pm

Jose Manuel Hermida-Larios:

- How many hours did I work since the last meeting?
 - 4
- What was done since the last scrum meeting?
 - More research into large-scale project operations.
- What is planned to be done until the next scrum meeting?
 - More research into large-scale project operations.
- What are the hurdles?
 - Working as a team.

Valerie Hernandez:

- How many hours did I work since the last meeting?
 - 4 hours
- What was done since the last scrum meeting?
 - Research and document possible implementation ideas for the user stories we will be working on this sprint.
- What is planned to be done until the next scrum meeting?
 - Continue to research and document.
- What are the hurdles?
 - Beginning phases of the project are usually the most difficult because we have to decide what format/design will work best to create the rest of the project in.

Diego Jones:

- How many hours did I work since the last meeting?
 - 4 hours
- What was done since the last scrum meeting?
 - Looked into our user stories and compared the similarities of them to known features of similar apps that the experts and my workplace run.
- What is planned to be done until the next scrum meeting?
 - Continue to research, compare, and reach out to my field experts.
- What are the hurdles?
 - Availability

Matthew Larrosa:

- How many hours did I work since the last meeting?
 - 4
- What was done since the last scrum meeting?
 - Review the requirements of the pet guardian project, drafted a doc on what steps are required to achieve these requirements and what tech are needed.
- What is planned to be done until the next scrum meeting?
 - Expand on the doc for further planning
- What are the hurdles?
 - I didn't experience any hurdles with my tasks.

Alex Narvaez-Echeverria:

- How many hours did I work since the last meeting?
 - 4 hours
- What was done since the last scrum meeting?
 - Reviewed multiple site design templates that we could possibly build PetGuardian around. Seeing what needs to be set up in order to begin a project together.
- What is planned to be done until the next scrum meeting?
 - Study CSS code to be prepared for when we begin the frontend design of the project.
- What are the hurdles?
 - The hurdles being that I would also like to begin looking into potential backends for the project that we could implement.
