

Sprint Review Meeting Minutes

Attendees: Jose Manuel Hermida-Larios, Valerie Hernandez, Diego Jones, Matthew Larrosa, Alex Narvaez-Echeverria

Start time: 10:00

End time: 10:35

After a show and tell presentation, the implementation of the following user stories were accepted by the product owners: All.

User Story 1: Account Setup

As a new user, I want to be able to register an account using my email and a password, so that I can securely access the app.

Acceptance Criteria:

A user is able to successfully create an account on our platform using their email and setting up a secure password, after creation the profile can be viewed, edited, and signed out of.

User Story 2: Account Login

As a registered user, I want to be able to log in to my account, so that I can access my pet's information

Acceptance Criteria:

A user is able to, when signed out, login to their existing account using the email and password given during account creation, their profile should be unchanged upon sign in and just like after creation your profile should be able to be viewed, edited, and signed out of.
