

Sprint Review Meeting Minutes

Attendees: Jose Manuel Hermida-Larios, Valerie Hernandez, Diego Jones, Matthew Larrosa, Alex Narvaez-Echeverria

Start time: 10:45 PM

End time: 11:15 PM

After a show and tell presentation, the implementation of the following user stories were accepted by the product owners: All.

- User Story
 1. Pet profile setup
 2. Home screen navigation

The following ones were rejected and moved back to the product backlog to be assigned to a future sprint at a future Spring Planning meeting.

- User Story
 3. Add appointment
 - How this should be reflected on the user story definition in Mingle:

As a pet owner,

I want to add a vet appointment to my calendar,

So that I can stay organized and track upcoming health events for my pet.

Acceptance Criteria:

- The user can add an appointment through a calendar view or form.
- The appointment details (vet name, date, time) are easy to input and edit.
- The user can see upcoming appointments displayed on the dashboard or calendar.
