

Sprint Review Meeting Minutes

Attendees: Jose Manuel Hermida-Larios, Valerie Hernandez, Diego Jones, Matthew Larrosa, Alex Narvaez-Echeverria

Start time: 10:00 PM

End time: 10:30 PM

After a show and tell presentation, the implementation of the following user stories were accepted by the product owners:

- **Pet Profile:** A section where users can input and store information about their pets, including name, breed, age, and a picture.
- **Medical Section:** A section dedicated to tracking a pet's medication and vaccine history.
- **Vet Locator:** A map feature where users can input their zip code to find nearby veterinary clinics.

The following ones were rejected and moved back to the product backlog to be assigned to a future sprint at a future Sprint Planning meeting.

- **Pet Status Points:** A system where users can earn points for various pet-related activities, such as taking their pet for a walk. This feature has been moved to a future sprint.
