

Date: 9/27/2024

Attendees: Erick Pelaez Puig, Elnaz Toreihi, Valeria Giraldo, Jeslyn Chacko

Start time: 9:00 PM

End time: 9:35 PM

Erick Pelaez Puig:

- What have you done since the last scrum meeting?
  1. Met with the professor to discuss what to do for the next few sprints.
  2. I chose the metrics to complete the goals set by the product owner for the next two sprints.
  3. Reviewed the research paper one more time to make sure I am fine with my choices.
- What is planned to be done until the next scrum meeting?
  1. Begin working on completing the goals for the first of my chosen metrics - WEAT.
  2. Begin documenting my progress on the goals in the "Metrics Progress" document.
- What are the hurdles?
  1. Time management.

Valeria Giraldo:

- What have you done since the last scrum meeting?
  1. Since the last meeting, we had a discussion with the professor, going over the current progress and planning our next steps
- What is planned to be done until the next scrum meeting?
  1. By the next meeting, I plan to dive into research on the metric and gather more insights
- What are the hurdles?
  1. Time management

Jeslyn Chacko:

- What have you done since the last scrum meeting?
  2. Since the last meeting, we have met with the professor and discussed the next steps to take.
- What is planned to be done until the next scrum meeting?
  2. For the next meeting, I am going to research the SEAT metric.
- What are the hurdles?
  3. The hurdles that I face is time management

Elnaz Toreihi:

- What have you done since the last scrum meeting?
  2. Our team had a meeting with the product owner to discuss our progress and next steps
- What is planned to be done until the next scrum meeting?

3. Our team plans to start working and researching on the different bias metrics
- What are the hurdles?
  4. time management
