

Daily Scrum Meetings

Date: 11/24/2024

Attendees: Richard Chong, Andres Lopez, Michael Camelio, Carlos Ramirez, Jason Martinez

Start time: 9:30pm

End time: 10pm

- Student1: Richard Chong
 - What have you done since the last scrum meeting?

I finished updating and uploading the frontend to github.
 - What is planned to be done until the next scrum meeting?

I plan to combine my work with my other teammates' work.
 - What are the hurdles?

Also, having issues with one of the requirements from the txt file. It is not downloading for me. I am also having some minor issues with implementing things the way I want to because Streamlit may not support what I'm trying to do.
- Student 2: Andres Lopez
 - What have you done since the last scrum meeting?

worked On integration effort for main components and maintaining streamlit ec2 deployment
 - What is planned to be done until the next scrum meeting?
 - Complete integration of text parsing for the code outputs
 - Begin working with other teammates to address final tasks with GUI and front end.
 - What are the hurdles?
 - None.

- Student 3: Michael Camelio
 1. What have you done since the last scrum meeting?
 - Got access to the database
 2. What is planned to be done until the next scrum meeting?
 - Overlooking any AWS implementation error or issue encounter by the team while deploying.
 3. What are the hurdles?
 - None.

- Student 4: Carlos Ramirez
 - What have you done since the last scrum meeting?

Finalized fixing and implementing logic for switching between API's and the correct messages to be displayed. Began looking into the new conversation button and uploading previous ones to our database.

- What is planned to be done until the next scrum meeting?

Focus on implementation of a new conversation button and uploading of previous conversations to our database. Then implement showing previous conversations the user has had.

- What are the hurdles?

Troubleshooting and figuring out the best method to solve currently existing issues.

- Student 5: Jason Martinez
 - What have you done since the last scrum meeting?

Figured out a way to get the text on top of an image to work, still testing button logic and how that can be implemented later on

- What is planned to be done until the next scrum meeting?

Continuing implementation for GPT Website Canva Design

- What are the hurdles?

Figuring out how to do graphic design well
