< Enter Team Member 2's Name>: Aiyanna Ferguson:

- How many hours did I work since the last meeting?
 - 3 hrs
- What was done since the last scrum meeting?
 - Explored ways to improve error handling and messaging within the code to overcome the CORs and fail to fetch errors with the link analyzer. I've also continued working on my poster.
- What is planned to be done until the next scrum meeting?
 - Move on to developing project documentation with the team and make any last-minute updates to the code if need be.
- What are the hurdles?

I've encountered the CORS blocking policy with the link analyzer feature which hinders it from fetching information through the Google Chrome browser.
