- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Still continuously working on user story 7 that I'm assigned to.
- What is planned to be done until the next scrum meeting?
 - I plan to keep advancing on my user stories and keep the team posted about progress.
- What are the hurdles?
 - Requests dont allow to cache the response so Im exploring other ways of extracting the data.

< Enter Team Member 2's Name>: Aiyanna Ferguson:

- How many hours did I work since the last meeting?
 - 3hrs
- What was done since the last scrum meeting?
 - Revisited previous codes, and continued working on the pop-up javascript.
- What is planned to be done until the next scrum meeting?
 - Work with the team for a new API and make changes to my code as needed. Complete the java script file for the pop-up feature and link analysis. I will also have to update the background script, and decide on an alternative method/API for link analysis.
- What are the hurdles?

We have not decided on a next API to test the security of the URLs in emails which has slowed down progress a bit.

- What was done since the last scrum meeting?
 - Settled on creating a simpler logo for the extension after much trial and error on incorporating the Chrome logo into the final design, spoke with other members to achieve a better consensus on what must be done
- What is planned to be done until the next scrum meeting?
 - User Story 9
- What are the hurdles?
 - Create a simpler version of our extension logo
