- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Still continuously working on user story 7 that I'm assigned to.
- What is planned to be done until the next scrum meeting?
 - I plan to keep advancing on my user stories and keep the team posted about progress.
- What are the hurdles?
 - Requests dont allow to cache the response so Im exploring other ways of extracting the data.

< Enter Team Member 2's Name>: Aiyanna Ferguson:

- How many hours did I work since the last meeting?
 - 3hrs
- What was done since the last scrum meeting?
 - Researched additional APIs, and discussed the new one with the team. I also looked into how we can develop our project with it, and began to revise the manifest.json, background script, and popup files for user story 6.
- What is planned to be done until the next scrum meeting?
 - Complete the files listed above and continue working with the team and updating them about any progress/hurdles.
- What are the hurdles?

Though we have decided on the new API, it will not give us as much consistency as we'd like with the product results considering we are only limited to a few downloads of PhishTanks database per day.
