- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Still continuously working on user story 7 that I'm assigned to.
- What is planned to be done until the next scrum meeting?
 - I plan to keep advancing on my user stories and keep the team posted about progress.
- What are the hurdles?
 - Requests dont allow to cache the response so Im exploring other ways of extracting the data.

< Enter Team Member 2's Name>: Aiyanna Ferguson:

- How many hours did I work since the last meeting?
 - 3hrs
- What was done since the last scrum meeting?
 - Looked more into PhishTank's downloadable database, and continued with code development for user story 6.
- What is planned to be done until the next scrum meeting?
 - Complete the files listed above and continue working with the team and updating them about any progress/hurdles.
- What are the hurdles?

The new API we wanted to implement was not a good choice as it still requires us to have an API key. Without this, we will not be able to get results consistently using the extension. This limitation pauses more code development which means we won't be able to test the extension yet in its entirety.

<Enter Team Member 3's Name>: Ivan Ortiz

- How many hours have I worked since the last meeting?
 - 4
- What was done since the last scrum meeting?
 - Settled on creating a simpler logo for the extension after much trial and error on incorporating the Chrome logo into the final design, spoke with other members to achieve a better consensus on what must be done
- What is planned to be done until the next scrum meeting?
 - User Story 9
- What are the hurdles?
 - Create a simpler version of our extension logo
