

Daily Scrum Meeting:

Attendees: Michaela Dunston, Alejandro Arrocha & Eduardo Chung, Mario Vega

Start time: 23:16

End time: 23:20

Michaela Dunston:

- How many hours did we work since the last meeting?
 - 3 Hours
- What was done since the last scrum meeting?
 - Started a new email mock campaign on gophish.
- What is planned to be done until the next scrum meeting?
 - Deadline for the production stages of the campaign.
 - Find another video on using gophish.
- What are the hurdles?
 - No technical hurdles at the moment.

Mario Vega:

- How many hours did we work since the last meeting?
 - 3 Hours
- What was done since the last scrum meeting?
 - Created a Linux virtual machine, installed Gophish, and allocated resources to run the campaign.
 - Created a Linux virtual machine and installed Gophish on it. This allows me to work on both the virtual machine and the school computer lab interchangeably, using the same resources.
- What is planned to be done until the next scrum meeting?
 - Watch videos and view articles on how to create a landing page and first steps on how to start using Gophish.
- What are the hurdles?
 - Limited resources to work on. I'm taking another course that requires me to turn off my virtualization, therefore slowing me down on testing and limiting where to test. That's why I created a VM in the school lab as well.
 - Minor set back with time due to an unexpected hospital visit. I will work on catching up.
 - I haven't been able to work on the project as much as I would like due to the medical issues I'm going through.

Eduardo Chung:

- How many hours did we work since the last meeting?
 - 3 Hours
- What was done since the last scrum meeting?
 - Still testing with Gophish
 - Waiting on acceptance for testing group.
- What is planned to be done until the next scrum meeting?
 - Set everything completely.
 - Start sending test emails.

What are the hurdles?

- Day is shorter than it seems.
- Car broke so that took me out of everything.

Alejandro Arrocha:

- How many hours did we work since the last meeting?
 - 3 Hours
- What was done since the last scrum meeting?
 - I kept working on Gophish.
- What is planned to be done until the next scrum meeting?
 - Work on phishing detection analysis.
 - Work with Malware analysis tools.
- What are the hurdles?
 - None at the moment.
