

Daily Scrum Meeting:

Attendees: Michaela Dunston, Alejandro Arrocha & Eduardo Chung, Mario Vega

Start time: 23:45

End time: 23:50

Michaela Dunston:

- How many hours did we work since the last meeting?
 - 3 Hours
- What was done since the last scrum meeting?
 - Continuing “types of phishing attacks”.
 - Discussing phishing game that we will implement in our training and estimating time for the duration of the game.
 - Deciding which questions would be most beneficial to understand the importance of being aware so you don’t become a victim of a phishing attack.
- What is planned to be done until the next scrum meeting?
 - The creation of the training for end users.
 - PowerPoint
 - Phishing game
 - “types of phishing attacks” is planned to be completed.
- What are the hurdles?
 - No technical hurdles at the moment.
 - Time management

Mario Vega:

- How many hours did we work since the last meeting?
 - 3 Hours in progress
- What was done since the last scrum meeting?
 - Consider adding detailed user stories to the slides to better connect with the end user.
- What is planned to be done until the next scrum meeting?
 - Continue creating training implementations.
- What are the hurdles?
 - Thinking of ways to enhance the training. Perhaps providing more specific details and incorporating interactive quizzes would enhance the content.
 - Time management.

Eduardo Chung:

- How many hours did we work since the last meeting? m

- 3 Hours
- What was done since the last scrum meeting?
 - Changed focus to landing page and body of sent emails.
