

Sprint Planning Meeting Minutes:

Attendees: Hunter Sanchez, Augusto Rodriguez, Adam Kobke

Start time: 3:00

End time: 4:00

After discussion, the velocity of the team was estimated to be 4 User Stories, worth 3 hours a day.

The product owner chose the following user stories to be done during the next sprint. They are ordered based on their priority.

- User Story 1: As a user I want to be able to specify the location of a csv file on my nextcloud server
- User Story 2: As a user, I want to be able to read csv data into nextcloud
- User Story 3: as a user, i want a tab to access the sync user data app
- User story 4: as a user i want to view the data being imported in nextcloud

The team members indicated their willingness to work on the following user stories.

- Hunter Sanchez
 - User Story 1: As a user I want to be able to specify the location of a csv file on my nextcloud server
 - User Story 2: As a user, I want to be able to read csv data into nextcloud
 - User Story 3: as a user, i want a tab to access the sync user data app
 - User story 4: as a user i want to view the data being imported in nextcloud
- Augusto Rodriguez
