

Sprint Planning Meeting Minutes:

Attendees: Hunter Sanchez, Augusto Rodriguez, Adam Kobke

Start time: 3:00

End time: 4:00

After discussion, the velocity of the team was estimated to be 5 User Stories, worth 3 hours a day.

The product owner chose the following user stories to be done during the next sprint. They are ordered based on their priority.

- User Story 1: As a user I want to be sure all groups are created correctly.
- User Story 2: As a user, I want to be sure all users are created correctly.
- User Story 3: As a user I want to see a log of each individual change to nextcloud (users added, groups created, etc.).
- User Story 4: As a user I want to see a pleasant user interface.
- User Story 5: As a user, I want both Nextcloud file uploads and local file uploads to work properly.

The team members indicated their willingness to work on the following user stories.

- Hunter Sanchez
 - User Story 1: As a user I want to be sure all groups are created correctly.
 - User Story 2: As a user, I want to be sure all users are created correctly.
 - User Story 3: As a user I want to see a log of each individual change to nextcloud (users added, groups created, etc.).
 - User Story 4: As a user I want to see a pleasant user interface.
 - User Story 5: As a user, I want both Nextcloud file uploads and local file uploads to work properly.
- Augusto Rodriguez
