Date: 09/12/23

Attendees: Mohammad Kazmi, Jason Eduardo Kildare, Abel Aguilera

Start time: 9:50 PM

End time: 10:20 PM

Mohammad Kazmi:

- What have you done since the last scrum meeting?
 1. I've worked on creating a summary form where I have created its outline, but I still need to figure out the important information required for a summary.
 2. I've begun working to find the important information and creating a summary form that the doctor will give a patient after the appointment
- What is planned to be done until the next scrum meeting?
 1. I plan to complete the information required in the summary form and work on the front-end to have sections in the form that need to be filled by the doctor.
- What are the hurdles?
 1. Identifying how to create a summary form in a doctor's account where the doctor can provide a summary of the appointment.

Jason Eduardo Kildare:

- What have you done since the last scrum meeting?
 1. I completed user story #10. Implemented a strong password feature.
 2. I resolved an issue where a user was able to enter an invalid email while registering.
- What is planned to be done until the next scrum meeting?
 1. I plan on working on user story #1.
- What are the hurdles?
 1. None as of yet.

Abel Aguilera:
