

FIU Doctor Booking System (Sprint 3 - Day 12)

Date: 10/06/23

Attendees: Mohammad Kazmi, Jason Eduardo Kildare

Start time: 8:30 PM

End time: 9:00 PM

Mohammad Kazmi:

- What have you done since the last scrum meeting?
 1. I have tested the functionality of the Forgot Password feature and the user/doctor is able to generate a code on their email which is then verified and then they are able to change their password.
- What is planned to be done until the next scrum meeting?
 1. I plan to begin working on Multi-Factor Authentication for the doctors and users where they can receive a code via SMS to login to their account.
- What are the hurdles?
 1. None so far.

Jason Eduardo Kildare:

- What have you done since the last scrum meeting?
 1. I worked on user story 2. I need to finish implementing a way for the user to send a request to the admin to request changes to their medical information.
- What is planned to be done until the next scrum meeting?
 1. I should have the request feature finished. And I will work on another user story.
- What are the hurdles?
 1. Figuring out how to make the request.
