

FIU Doctor Booking System (Sprint 3 - Day 3)

Date: 09/27/23

Attendees: Mohammad Kazmi, Jason Eduardo Kildare

Start time: 8:30 PM

End time: 9:00 PM

Mohammad Kazmi:

- What have you done since the last scrum meeting?
 1. I have created the drop-downs on some fields allowing the doctor to quickly choose from them to provide a brief summary of the appointment to the user.
 2. I have begun working on testing the form creation and storing all the information filled in the form in the database.
- What is planned to be done until the next scrum meeting?
 1. I plan to complete the form creation for the summary of the appointment and test if the information is being stored correctly and then the form is showing for the specific user it is created for.
- What are the hurdles?
 1. None so far.

Jason Eduardo Kildare:

- What have you done since the last scrum meeting?
 1. I created a link to a popup consent form window so the user can read and consent to it before booking an appointment
- What is planned to be done until the next scrum meeting?
 1. I plan to add a "consent" value to the user model to verify if a user has consented to the form or not.
- What are the hurdles?
 1. None.
