

FIU Doctor Booking System (Sprint 3 - Day 8)

Date: 10/02/23

Attendees: Mohammad Kazmi, Jason Eduardo Kildare

Start time: 10:10 PM

End time: 10:40 PM

Mohammad Kazmi:

- What have you done since the last scrum meeting?
 1. I have begun working on the Forgot Password feature in case the user forgets their password so a recovery code is emailed to the user to reset their password.
- What is planned to be done until the next scrum meeting?
 1. I plan to implement the front-end for the forgot password button and when the user clicks it they have to enter their email address to receive the code.
- What are the hurdles?
 1. None so far.

Jason Eduardo Kildare:

- What have you done since the last scrum meeting?
 1. I completed user story 1. I have successfully implemented a consent agreement before the user books an appointment with the doctor.
- What is planned to be done until the next scrum meeting?
 1. I plan to work on user story 2 by collecting necessary health-related information from a patient through a form and adding it to the user model, storing it in an array.
- What are the hurdles?
 1. None.
