

FIU Doctor Booking System (Sprint 3 - Day 9)

Date: 10/03/23

Attendees: Mohammad Kazmi, Jason Eduardo Kildare

Start time: 8:50 PM

End time: 9:20 PM

Mohammad Kazmi:

- What have you done since the last scrum meeting?
 1. I have worked on the front-end where the user clicks “Forgot Password” and then a page opens which allows them to enter a new password and update.
- What is planned to be done until the next scrum meeting?
 1. I plan to make the implementation more robust by asking the user to enter their email address then making them receive a code.
- What are the hurdles?
 1. None so far.

Jason Eduardo Kildare:

- What have you done since the last scrum meeting?
 1. I worked on user story 2, I completed half of the health form and also created an array for the user model to keep all of the patients information after the form is filled so the doctor can access the information.
- What is planned to be done until the next scrum meeting?
 1. I plan to work more on user story 2 and try to finish the form.
- What are the hurdles?
 1. None.
