

FIU Doctor Booking System (Sprint 4 - Day 3)

Date: 10/11/23

Attendees: Mohammad Kazmi, Jason Eduardo Kildare

Start time: 9:30 PM

End time: 10:00 PM

Mohammad Kazmi:

- What have you done since the last scrum meeting?
 1. I have completed the user story for limiting the number of unsuccessful log-in attempts, a user cannot log-in for 5 minutes into their account if they enter their incorrect password for more than 5 times.
- What is planned to be done until the next scrum meeting?
 1. I plan to begin working on making the users/doctors conform to an agreement when they register their account ensuring that their medical health information is protected, but it can be used if required by verified medical personnel or law and that they refrain from illegal activities on the app.
- What are the hurdles?
 1. None so far.

Jason Eduardo Kildare:

- What have you done since the last scrum meeting?
 1. I worked on user story 8. I created a function to deny a user access.
- What is planned to be done until the next scrum meeting?
 1. I plan to keep working on user story 8.
- What are the hurdles?
 1. None
