

FIU Doctor Booking System (Sprint 4 - Day 5)

Date: 10/13/23

Attendees: Mohammad Kazmi, Jason Eduardo Kildare

Start time: 9:00 PM

End time: 9:30 PM

Mohammad Kazmi:

- What have you done since the last scrum meeting?
 1. I have completed the user story for making a policy agreement document for the user/doctors registering their account with the FIU Doctor Booking App.
- What is planned to be done until the next scrum meeting?
 1. I plan to begin working on the audit trail feature logs for the admin account to track the access to a user's personal health information.
- What are the hurdles?
 1. None so far.

Jason Eduardo Kildare:

- What have you done since the last scrum meeting?
 1. I worked on user story 10. I created a file to manage the session for a user and added an event listener to keep track of mouse clicks or key presses to manage the users inactivity.
- What is planned to be done until the next scrum meeting?
 1. I plan to create a timer and set it for one minute for testing purposes to see if the user is logged out for inactivity.
- What are the hurdles?
 1. None
