 - Yes, overall we are advancing at the expected speed.
- Did we do a good job estimating the points (time required) for each user story?
 - yes.
- Did each team member work as scheduled?
 - Yes, each team member worked according to what was scheduled

What went right?

- able to quickly and easily schedule meetings in order to submit things on time
- good communication between team members

How to address the issues in the next sprint?

- How to improve the process?
 - Overall we did a good job during the sprint, ideally we keep the pace for the upcoming sprints.
- How to improve the product?
 - We can change some of the font colors in certain parts of the app to be more visible than they currently are, white text with a light background.
