

Date: 10/2/23

Attendees: Jose Fernandez, Cristina Trujillo, Chenying Wu

Start time: 7:00 PM

End time: 8:00 PM

Student 1: Chenying Wu

- What have you done since the last scrum meeting?
Had a meeting with the PO.
- What is planned to be done until the next scrum meeting?
Try to design the database and find the best way to implement it.
- What are the hurdles?
The team doesn't have many experiences dealing with the backend stuff, and may need some time and resources to learn.

Student 2: Cristina Trujillo

- What have you done since the last scrum meeting?
Had meeting with PO, got tasked with creating database
- What is planned to be done until the next scrum meeting?
Research best way to implement database for the app
- What are the hurdles?
Lacking knowledge of how to make a database from scratch and connect to app

Student 3: Jose Fernandez

- What have you done since the last scrum meeting?
Had a meeting with PO.
- What is planned to be done until the next scrum meeting?
Discussed the possibility of creating a database for the app
- What are the hurdles?
Not having the necessary knowledge to do so.
