

Date: 10/3/23

Attendees: Jose Fernandez, Cristina Trujillo, Chenying Wu

Start time: 9:00 PM

End time: 10:00 PM

Student 1: Chenying Wu

- What have you done since the last scrum meeting?
Did some research to design the database model.
- What is planned to be done until the next scrum meeting?
Try to start implementing it.
- What are the hurdles?
The team doesn't have many experiences dealing with the backend stuff, and may need some time and resources to learn.

Student 2: Cristina Trujillo

- What have you done since the last scrum meeting?
started researching and planning on how to create database
- What is planned to be done until the next scrum meeting?
implement some code and see if we can successfully start making a database
- What are the hurdles?
Lacking knowledge of how to make a database from scratch and connect to app

Student 3: Jose Fernandez

- What have you done since the last scrum meeting?
Research on database design
- What is planned to be done until the next scrum meeting?
Continue to research
- What are the hurdles?
Not having the necessary knowledge to do so.
