

Meeting notes

- October 25th, 2023 via Discord
- Juliana, Megan, Giovanni

Tasks

- Juliana started to work on our database
- Megan worked on turning some of our pseudocode into code
- Giovanni worked on more pseudocode to help start the new code

Agenda

- Detail our exploits more often to each other

Recap from last meeting

- How can we properly turn our pseudocode into code

Discussion

- How can we assure we continue working this hard without burning out
