

Meeting notes

- October 26th, 2023 via Discord
- Juliana, Megan, Giovanni

Tasks

- Juliana continued to work on the database
- Megan worked on turning some of our pseudocode into code
- Giovanni switched to working on some basic mockups

Agenda

- Detail our exploits more often to each other

Recap from last meeting

- How can we balance our work properly

Discussion

- How can we assure we continue working this hard without burning out
