

Review Meeting Minutes

Project: Auditory Training App

Attendees: Nicole Cruz, Ashley Enalien, Rafael Mejia Galvan, Hubert Cabrera, Enrique Portela

Start time: 8:30PM

End time: 8:45PM

After discussing our progress, we know that the following user stories have been completed:

- Update icons within detection game
- Began to update forum page—awaiting PO approval and integration into main branch
- Move the detection games into their respective categories
- Fixed sound issue in detection & discrimination games
- Updated mock-up designs for discrimination game choices—awaiting PO approval
- Updated mock-up designs for identification game 1 choices—awaiting PO approval
- Updated mock-up designs for identification game 2 choices—awaiting PO approval
- Continue updating forum page
- Modify position of directions for each game

The following ones were rejected and moved back to the product backlog to be assigned to a future sprint at a future Sprint Planning meeting.

- Center Align Icons and Text on Activities Pages
- Add a new page for users to choose between Drill and Game Activities
- Update icons within discrimination game—pending PO approval
- Update icons within identification 1 game—pending PO approval
- Update icons within identification 2 game—pending PO approval
- Fix level updater
- Update play button for all of the games
