

Sprint Planning Meeting Minutes:

Attendees: Nicole Cruz, Ashley Enalien, Rafael Mejia Galvan, Hubert Cabrera, Enrique Portela

Start time: 8:30

End time: 8:45

After discussion, the velocity of the team was estimated to be around 5 user stories per week.

The product owner chose the following user stories to be done during the next sprint. They are ordered based on their priority:

- Center Align Icons and Text on Activities Pages
- Add a new page for users to choose between Drill and Game Activities
- Update play button for all of the games
- Update icons within discrimination game (now PO approved)
- Update icons within identification 1 game (now PO approved)
- Update icons within identification 2 game (now PO approved)
- Update Navigation Bar throughout app
- Modify position of directions for each game
- Begin to modify profile page
- Remove discrimination & identification forums
- Fix level updater
- Fix progress bar
- Update play button for all games
- Continue to update forum page
- Get settings page mock-up approved
- Begin modifying settings page
- Get reports page mock-up approved
- Get support page mock-up approved
