

Sprint Planning Meeting Minutes:

Attendees: Nicole Cruz, Ashley Enalien, Rafael Mejia Galvan, Hubert Cabrera, Enrique Portela

Start time: 8:30

End time: 8:45

After discussion, the velocity of the team was estimated to be around 5 user stories per week.

The product owner chose the following user stories to be done during the next sprint. They are ordered based on their priority:

- Investigate why Reports page does not show up as intended
- Fix sound issue in identification2 game
- Add a new page for users to choose between Drill and Game Activities
- Add text instructions to each game (proper positioning)
- Update play button for all games
- Fix level updater
- Update Navigation Bar throughout app
- Modify Settings Page
- Modify Forum Page
- Add Support page
- Add a tab to the list that pops out when you click the profile that links to support page
- Modify Reports page
- Fix up text alignment issues throughout app
