

Daily Scrum Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez

Start time: 9:00 P.M.

End time: 9:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Read the documentation to familiarize myself with the project.
- What is planned to be done until the next scrum meeting?
 - To set up the working environment and download the project through git.
- What are the hurdles?
 - None at the moment.

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Familiarize with the problem our project will try to mitigate and investigate the current resources available for new low-income mothers.
- What is planned to be done until the next scrum meeting?
 - Read the abstract, summary, current state, and all documentation pertaining NuMom's project.
- What are the hurdles?
 - Have not met the product owner yet.

Joseph Bargallo:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Do research on low-income mothers and what are the current resources available to them and how they can be better implemented into the application.
- What is planned to be done until the next scrum meeting?
 - Read the first deliverable to familiarize myself with the work and what needs to be done.
- What are the hurdles?

- Could not meet with the product owner.

Roni Raad:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Explored available research resources that can provide valuable information to low-income mothers
- What is planned to be done until the next scrum meeting?
 - Get to know the project and its current state.
- What are the hurdles?
 - Picking up an unfinished project is a difficult task and might take longer than starting a new one from scratch.

Avraham moshe:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Did some research regarding the project
- What is planned to be done until the next scrum meeting?
 - More research regarding the peoject
- What are the hurdles?
 - So far putting everything that has been done together

Daily Scrum 2 Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez, Roni Raad, Avraham Moshe

Start time: 7:00 P.M.

End time: 7:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2

- What was done since the last scrum meeting?
 - Read the documentation to familiarize myself with the project.
- What is planned to be done until the next scrum meeting?
 - To analyze and familiarize myself with the source code of the project. Understand how everything is connected.
- What are the hurdles?
 - One hurdle I would say is getting everything set up similar to how the previous capstone had their project.

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Read the abstract, summary, current state, and all documentation pertaining to NuMom's project.
- What is planned to be done until the next scrum meeting?
 - Get the project set up from github and get a working developing environment.
- What are the hurdles?
 - Have not met the product owner yet.

Joseph Bargallo:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Looked into first deliverable, beginning to familiarize myself with the project.
- What is planned to be done until the next scrum meeting?
 - Begin getting all resources installed to setup project files.
 - Meet with product owner.
- What are the hurdles?
 - Getting everything installed could prove to be a process of trial and error until we can get it all working.

Roni Raad:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Studied current state of the project
- What is planned to be done until the next scrum meeting?
 - Going to continue to try and understand the project

- What are the hurdles?
 - I've never used the language this project is written in.

Avraham moshe:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Did some research regarding the project
- What is planned to be done until the next scrum meeting?
 - More research regarding the project
- What are the hurdles?
 - So far putting everything that has been done together

Daily Scrum 3 Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez, Roni Raad, Avraham Moshe

Start time: 7:00 P.M.

End time: 7:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with the product owner and discussed the state of the project and programs needed for working on it.
 - Downloaded TestFlight for future testing of the app on iOS.
- What is planned to be done until the next scrum meeting?
 - To download the required files to get started working on our first task.
- What are the hurdles?
 - Learning React Native.
 - Getting the correct version for everything.

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Try to get the project set up from github and get a working developing environment.
- What is planned to be done until the next scrum meeting?
 - Met with product owner and project manager to address concerns and also filled out forms to request access to the project and database.
- What are the hurdles?
 - No access to the repository yet.

Joseph Bargallo:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with product owner.
 - Installed Testapp and looked at the current beta version of NuMom
- What is planned to be done until the next scrum meeting?
 - Familiarize myself with React.
 - Install Node JS and use node version manager to switch to version 16
- What are the hurdles?
 - Learning how to work with react.

Roni Raad:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Installed all dependencies of the project
- What is planned to be done until the next scrum meeting?
 - Going to continue to try read through the code
- What are the hurdles?
 - I've never used the language this project is written in.

Avraham moshe:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Did some research regarding the project
- What is planned to be done until the next scrum meeting?
 - More research regarding the project

- What are the hurdles?
 - So far putting everything that has been done together

Daily Scrum 4 Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez, Roni Raad, Avraham Moshe

Start time: 7:00 P.M.

End time: 7:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Downloaded required files for the project.
- What is planned to be done until the next scrum meeting?
 - Take a look at the project code and analyze it, as well as learn things along the way regarding javascript and React.
- What are the hurdles?
 - Learning React Native..

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with product owner and project manager to address concerns and also filled out forms to request access to the project and database.
- What is planned to be done until the next scrum meeting?
 - Start learning React Native and how it was used on our project.
- What are the hurdles?
 - No access to the repository yet.

Joseph Bargallo:

- How many hours did I work since the last meeting?

- 2
- What was done since the last scrum meeting?
 - Looked at React Native Resources in preparation for technical demo on Friday
- What is planned to be done until the next scrum meeting?
 - Attend Technical demonstration for Friday and begin working on the first issue.
- What are the hurdles?
 - Learning how to work with react.

Roni Raad:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Debugging issues with project
- What is planned to be done until the next scrum meeting?
 - Going to continue to Debug
- What are the hurdles?
 - Unknown territory for me.rtd

Avraham moshe:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Did some research regarding the project
- What is planned to be done until the next scrum meeting?
 - More research regarding the project
- What are the hurdles?
 - So far putting everything that has been done together

Daily Scrum 5 Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez, Roni Raad, Avraham Moshe

Start time: 7:00 P.M.

End time: 7:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Watched some videos on React Native and JavaScript.
- What is planned to be done until the next scrum meeting?
 - Schedule a meeting with Eduardo to give us an overview of the project.
 - Learn how to use the simulators.
 - Continue learning a bit more about how React is used.
- What are the hurdles?
 - Putting all the pieces together and learning a new framework.

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Started learning React Native and how it was used on our project.
- What is planned to be done until the next scrum meeting?
 - Keep learning react native and download both android's and iOS's simulators.
- What are the hurdles?
 - Team has not been given access to project's repository yet.

Joseph Bargallo:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Had to postpone technical demonstration meeting with Eduardo
- What is planned to be done until the next scrum meeting?
 - Continue learning React in preparation for gaining access to repository.
- What are the hurdles?

Roni Raad:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Debugging issues with project
- What is planned to be done until the next scrum meeting?
 - Going to continue to Debug

- What are the hurdles?
 - Unknown territory for me

Avraham moshe:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Did some research regarding the project
- What is planned to be done until the next scrum meeting?
 - More research regarding the project
- What are the hurdles?
 - So far putting everything that has been done together

Daily Scrum 6 Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez, Roni Raad, Avraham Moshe

Start time: 7:00 P.M.

End time: 7:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on the task #1 that was assigned to us.
- What is planned to be done until the next scrum meeting?
 - Continue working on task #1.
- What are the hurdles?
 - Scheduling meetings with Eduardo (The PO assistant) due to time conflict.

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?

- Kept learning react native and downloaded both android's and iOS's simulators..
- What is planned to be done until the next scrum meeting?
 - Clone the project's repository now that we were granted access and make sure it runs with all of its dependencies.
- What are the hurdles?
 - None.

Joseph Bargallo:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Watched videos on react
- What is planned to be done until the next scrum meeting?
 - Start issue one and and get it finished by Thursday
- What are the hurdles?

Roni Raad:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Debugging issues with project
- What is planned to be done until the next scrum meeting?
 - Going to continue to Debug
- What are the hurdles?
 - Unknown territory for me

Avraham moshe:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Did some research regarding the project
- What is planned to be done until the next scrum meeting?
 - More research regarding the project
- What are the hurdles?
 - So far putting everything that has been done together

Daily Scrum 7 Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez, Roni Raad, Avraham Moshe

Start time: 7:00 P.M.

End time: 7:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on the task #1 that was assigned to us.
 - Scheduled meeting with PO.
 - Successfully was able to emulate the app on my phone.
- What is planned to be done until the next scrum meeting?
 - Learn resources like React and JavaScript.
 - Complete task #1.
- What are the hurdles?
 - None at the moment.

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Cloned the project's repository now that we were granted access and make sure and installed all of its dependencies.
- What is planned to be done until the next scrum meeting?
 - Complete the welcoming task assigned by the product owners.
- What are the hurdles?
 - None.

Joseph Bargallo:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on issue one
 - Emulated app on my phone
- What is planned to be done until the next scrum meeting?

- Finish issue one

Roni Raad:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Debugging issues with project
- What is planned to be done until the next scrum meeting?
 - Going to continue to Debug
- What are the hurdles?
 - Unknown territory for me

Avraham moshe:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Did some research regarding the project
- What is planned to be done until the next scrum meeting?
 - More research regarding the project
- What are the hurdles?
 - So far putting everything that has been done together

Daily Scrum 8 Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez, Roni Raad, Avraham Moshe

Start time: 7:00 P.M.

End time: 7:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Completed the task #1 that was assigned to us.

- What is planned to be done until the next scrum meeting?
 - Learn resources like React and JavaScript.
- What are the hurdles?
 - None at the moment.

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Completed the welcoming task assigned by the product owners.
- What is planned to be done until the next scrum meeting?
 - Review all the app's functionality to discuss it with the product owner on a meeting tomorrow
- What are the hurdles?
 - None.

Joseph Bargallo:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on issue one
 - Emulated app on phone and created account
- What is planned to be done until the next scrum meeting?
 - Finish issue one
 - Prepare for meeting with PO

Roni Raad:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Completed task #1
- What is planned to be done until the next scrum meeting?
 - Continue working on tasks
- What are the hurdles?
 - Lack of knowledge base.

Avraham moshe:

- How many hours did I work since the last meeting?

- 2
- What was done since the last scrum meeting?
 - Did some research regarding the project
- What is planned to be done until the next scrum meeting?
 - More research regarding the project
- What are the hurdles?
 - So far putting everything that has been done together

Daily Scrum 9 Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez, Roni Raad, Avraham Moshe

Start time: 7:00 P.M.

End time: 7:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Looked at the project's source code for inspection on things I might not understand.
- What is planned to be done until the next scrum meeting?
 - Meet with the PO and discuss the next plans for the project and ask questions about the project.
- What are the hurdles?
 - None at the moment.

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Reviewed all the app's functionality to discuss it with the product owner on a meeting tomorrow.
- What is planned to be done until the next scrum meeting?
 - Identify all possible bugs inside the app to discuss with team and product owner.
- What are the hurdles?

- None.

Joseph Bargallo:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Completed issue one
- What is planned to be done until the next scrum meeting?
 - Meet with PO and view tech demo
 - Discuss what should be focused on for the project.

Roni Raad:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Working on task #2
- What is planned to be done until the next scrum meeting?
 - Continue working on tasks
- What are the hurdles?
 - Lack of knowledge base.

Avraham moshe:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Did some research regarding the project
- What is planned to be done until the next scrum meeting?
 - More research regarding the project
- What are the hurdles?
 - So far putting everything that has been done together

Daily Scrum 9 Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez, Roni Raad, Avraham Moshe

Start time: 7:00 P.M.

End time: 7:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Looked at the source code for things that might need fixing.
 - Met with PO and discussed next actions.
- What is planned to be done until the next scrum meeting?
 - Work on task #2 and continue looking for an issue within the source code.
- What are the hurdles?
 - None at the moment.

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Identity all possible bugs inside the app to discuss with team and product owner.
- What is planned to be done until the next scrum meeting?
 - Start analysis of bugs to create new tasks and user stories.
- What are the hurdles?
 - None.

Joseph Bargallo:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Attend meeting with PO and had tech demo
 - Discussed how the flow of each sprint would work
 - Issue two has been chosen as the main focus of next sprint
- What is planned to be done until the next scrum meeting?
 - Work on issue 2
 - Come up with new issues/user stories to add for current sprint

Roni Raad:

- How many hours did I work since the last meeting?

- 2
- What was done since the last scrum meeting?
 - Working on task #2
- What is planned to be done until the next scrum meeting?
 - Continue working on tasks
- What are the hurdles?
 - Lack of knowledge base.

Avraham moshe:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Did some research regarding the project
- What is planned to be done until the next scrum meeting?
 - More research regarding the project
- What are the hurdles?
 - So far putting everything that has been done together

Daily Scrum 1 Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez, Roni Raad, Avraham Moshe

Start time: 7:00 P.M.

End time: 7:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Looked at the source code for things that might need fixing.
- What is planned to be done until the next scrum meeting?
 - Create a brand new issue fixing something that is already part of the code.
 - Give reviews on 2 student issues.
- What are the hurdles?
 - None at the moment.

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Concluded analysis of bugs to create new tasks and user stories.
- What is planned to be done until the next scrum meeting?
 - Plan the sprint and review new assigned tasks.
- What are the hurdles?
 - None.

Joseph Bargallo:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on task #2
 - Submitted health report
- What is planned to be done until the next scrum meeting?
 - Come up with issue / user story for sprint 2

Roni Raad:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Working on task #2
- What is planned to be done until the next scrum meeting?
 - Continue working on tasks
- What are the hurdles?
 - Lack of knowledge base.

Avraham moshe:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Did some research regarding the project
- What is planned to be done until the next scrum meeting?
 - More research regarding the project
- What are the hurdles?

- So far putting everything that has been done together

Daily Scrum 1 Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez, Roni Raad, Avraham Moshe

Start time: 7:00 P.M.

End time: 7:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Started working on task 2 password strength.
 - Met with team.
- What is planned to be done until the next scrum meeting?
 - Continue working on task 2.
 - Find a new issue within the app.
- What are the hurdles?
 - None at the moment.

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Planned the sprint and review new assigned tasks.
- What is planned to be done until the next scrum meeting?
 - Meet with the whole team for an hour to bring the project up to speed.
- What are the hurdles?
 - None.

Joseph Bargallo:

- How many hours did I work since the last meeting?
 - 2

- What was done since the last scrum meeting?
 - Worked on task #2
 - Meet with team to get everyone on the same page
- What is planned to be done until the next scrum meeting?
 - Come up with issue / user story for sprint 2

Roni Raad:

- How many hours did I work since the last meeting?
 - 2

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - implementing password strength indicator
- What is planned to be done until the next scrum meeting?
 - Create issue to further improve the app for next sprint
- What are the hurdles?
 - None.

Roni Raad:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Researching future tasks.
- What is planned to be done until the next scrum meeting?
 - Continue working on tasks
- What are the hurdles?
 - Lack of knowledge base.

Avraham moshe:

- How many hours did I work since the last meeting?
 - 2

- What was done since the last scrum meeting?
 - Did some research regarding the project
 - Finished working on task #2
- What is planned to be done until the next scrum meeting?
 - More research regarding the project
 - Continue working on tasks
- What are the hurdles?
 - Lack of knowledge.

Daily Scrum 8 Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez, Roni Raad, Avraham Moshe

Start time: 7:00 P.M.

End time: 7:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Completed task 2 and created a pull request for it.
 - Approved 2 pull requests.
- What is planned to be done until the next scrum meeting?
 - Find a new issue within the app.
- What are the hurdles?
 - None.

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Helped the team members complete task #2 and github project's navigation
- What is planned to be done until the next scrum meeting?
 - Complete redaction of new issue found with the app.
- What are the hurdles?

- None.

Joseph Bargallo:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Created pull request for task 2, now pending review
- What is planned to be done until the next scrum meeting?
 - Create issue to further improve the app for next sprint
 - Wait for pending review on task 2 pull request
- What are the hurdles?
 - None.

Roni Raad:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Researching future tasks.
- What is planned to be done until the next scrum meeting?
 - Continue working on tasks
- What are the hurdles?
 - Lack of knowledge base.

Avraham moshe:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Did some research regarding the project
 - Finished working on task #2
- What is planned to be done until the next scrum meeting?
 - More research regarding the project
 - Continue working on tasks
- What are the hurdles?
 - Lack of knowledge.

Daily Scrum 9 Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez, Roni Raad, Avraham Moshe

Start time: 7:00 P.M.

End time: 7:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Completed task 2 and created a pull request for it.
- What is planned to be done until the next scrum meeting?
 - Find a new issue within the app.
- What are the hurdles?
 - None.

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Created a new issue in GitHub to be resolved in on of the next sprints.
- What is planned to be done until the next scrum meeting?
 - Prepare sprint retrospective meeting and questions for the product owner.
- What are the hurdles?
 - None.

Joseph Bargallo:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Added medium password pop up for issue 2
 - Issue 2 has been approved
 - Added an issue to the project
 - Reviewed two projects
- What is planned to be done until the next scrum meeting?
 - Looking into what issues to work on for sprint 3
- What are the hurdles?

- None.

Roni Raad:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Researching future tasks.
- What is planned to be done until the next scrum meeting?
 - Continue working on tasks
- What are the hurdles?
 - Lack of knowledge base.

Avraham moshe:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Did some research regarding the project
 - Finished working on task #2
- What is planned to be done until the next scrum meeting?
 - More research regarding the project
 - Continue working on tasks
- What are the hurdles?
 - Lack of knowledge.

Daily Scrum 10 Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez, Roni Raad, Avraham Moshe

Start time: 7:00 P.M.

End time: 7:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2

- What was done since the last scrum meeting?
 - Created a new issue.
- What is planned to be done until the next scrum meeting?
 - Prepare for the next sprint and continue looking for issues.
- What are the hurdles?
 - None.

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Meet with the team to check on individual's progress.
- What is planned to be done until the next scrum meeting?
 - Create the Sprint 3 project on github and approve pull requests.
- What are the hurdles?
 - None.

Joseph Bargallo:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Completed issue #600
 - Created pull request, waiting for reviews

- What is planned to be done until the next scrum meeting?
 - Review 2 team members pull requests
 - Look for other issues to be created for next sprint
- What are the hurdles?
 - None.

Roni Raad:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finished task # 3 assigned to me.
- What is planned to be done until the next scrum meeting?
 - Review pull request and update project's board
- What are the hurdles?
 - Lack of knowledge base.

Avraham moshe:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Working on task #3
- What is planned to be done until the next scrum meeting?
 - Continue working on tasks
- What are the hurdles?
 - Lack of knowledge.

Daily Scrum 8 Meeting Minutes:

Attendees: Diego Padua, Joseph Bargallo, David Delgado Lopez, Roni Raad, Avraham Moshe

Start time: 7:00 P.M.

End time: 7:30 P.M.

Diego Padua:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on issue #607: messed around with fonts and sizing to minimize spacing.
- What is planned to be done until the next scrum meeting?
 - Continue working on the feeding page to get the spacing right.
- What are the hurdles?
 - None.

David Delgado Lopez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Created the Sprint 3 project on github and approved two pull requests.
- What is planned to be done until the next scrum meeting?
 - Switch user story to work on and create a new pull request on that issue.
- What are the hurdles?
 - None.

Joseph Bargallo:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Looked into other issues that need to be completed
- What is planned to be done until the next scrum meeting?
 - Review 2 team members pull requests
 - Look for other issues to be created for next sprint
- What are the hurdles?
 - None.
