

Sprint Retrospective Meeting Minutes

Attendees: Josue Camejo, Josue Naranjo, Christopher Puig, Dennis Martinez, Michael Simon.

Start time: <7:00 PM

End time: <9:00 PM>

What went wrong?

- Did we do a good job estimating our team's velocity?
 - For this sprint our pace matched our estimate.
- Did we do a good job estimating the points (time required) for each user story?
 - We have a lot of work overall but yes, our team did a good job.
- Did each team member work as scheduled?
 - Each team member worked efficiently except for Michael Simon.

What went right?

- We had plenty of time to complete our stories, which allowed us to spend more time discussing what we'd achieved, and we were never overwhelmed during this third sprint.

How to address the issues in the next sprint?

- How to improve the process?
Spending more time together working on our assignments, giving us the option to review others work and brainstorm now.
- How to improve the product?
If we stay on pace and work as efficiently as we already are. There will be no issues and we will deliver a great project.
