

Daily Scrum Meeting Minutes

Date: 07/13/2022

Attendees: Destany Medina, Carolina Martinez, Eduardo Cortes, Jasmine Restrepo-Gaitan, Roey Farag, Keiss De Los Santos, Katherine Diaz-Nunez, Christian Hernandez, Xavier Fabian, Karen Martinez.

Start time: 8:00 PM

End time: 8:15 PM

Destany Medina:

- What was done since the last scrum meeting?
 - Communicated with JR on our plan for upcoming user story
- What is planned to be done until the next scrum meeting?
 - Begin executing our plan with emergency messages being sent to the database
- What are the hurdles?
 - none

Katherine Diaz:

- What was done since the last scrum meeting?
 - Reviewed changes that were made for this user story.
- What is planned to be done until the next scrum meeting?
 - Continue to review the changes that are made by my peers.
- What are the hurdles?
 - None.

Xavier Fabian:

- What was done since the last scrum meeting?
 - Analyze and reviewed changes to code
- What is planned to be done until the next scrum meeting?
 - Shadowed my peers this user story
- What are the hurdles?
 - None

Roey Farag

- What was done since the last scrum meeting?
 - I've created a new button for the emergency contact page and started implementing the user_address page.

- What is planned to be done until the next scrum meeting?
 - Continue to implement the user_address page.
- What are the hurdles?
 - None

Carolina Martinez

- What was done since the last scrum meeting?
 - Reviewed to see how I can delete user and ensure that the data base is being update
 - Made progress but would like to integrate the ability to reauthenticate the user prior to deleting
 - Alter the page to ensure it matches the UI
- What is planned to be done until the next scrum meeting?
 - Review changes that I want to integrate into the main branch
 - Ensure that the new features work
 - Meet with Karen regarding changes
- What are the hurdles?
 - Compiling error when attempting to delete from firebase

Eduardo Cortes:

- What was done since the last scrum meeting?
 - Reviewed code on dashboard and continued finalizing changes on medication's page.
- What is planned to be done until the next scrum meeting?
 - Finalize changes on the medication's page and make pills accessible on any device using Firebase.
- What are the hurdles?
 - None.

Christian Hernandez:

- What was done since the last scrum meeting?
 - Review changes made to code
- What is planned to be done until the next scrum meeting?
 - Continue to shadow my peers
- What are the hurdles?
 - None

Jasmine Restrepo-Gaitan:

- What was done since the last scrum meeting?

- Connected the emergency dialogue to the database and displayed the caregivers in the drop down button for the recipients.
- Added severity level to the emergency dialogue and I sent it to the emergency message dialogue.
- What is planned to be done until the next scrum meeting?
 - Send the emergency message to the db under the recipient.
- What are the hurdles?
 - None

Keiss De Los Santos:

- What was done since the last scrum meeting?
 - Reviewed the code
- What is planned to be done until the next scrum meeting?
 - Look over the code for any changes
- What are the hurdles?
 - None

Karen Martinez:

- What was done since the last scrum meeting?
 - Listed the pages needing the UI changes to start working on them.
- What is planned to be done until the next scrum meeting?
 - Coordinate with Carolina the pages I'll be working on.
- What are the hurdles?
 - Time.
