DAILY SCRUM MEETING **MINUTES**

Pediatric Emergency Medicine APP
Summer 2021

Team Members:

Anabel Perez, Eduardo Dally, Athenna Martinez, Kelvin Gonzalez, Ana Martinez, Peter Duarte, Bryant Rojas, Dianelis Insua, Felipe Arce.

Table of Contents

<u><i>SPRINT 1:</i></u>	2
<u><i>SPRINT 2:</i></u>	27
<u><i>SPRINT 3:</i></u>	52
<u><i>SPRINT 4:</i></u>	78
<u><i>SPRINT 5:</i></u>	101

SPRINT 1

5/17/2021

Daily Scrum Meeting Minutes:

Attendees: Ana Martinez, Athenna Martinez, Peter Duarte, Anabel Perez, Kelvin Gonzalez, Eduardo Dally, Bryant Rojas, Danelis Insua, Felipe Arce.

Start time: 8:15 PM

End time: 8:30 PM

CAPSTONE 2:

Ana Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Decide which are the user stories for this sprint
 - Verify the project is running on my dev environment
- What is planned to be done until the next scrum meeting?
 - Start working on my assigned user story
- What are the hurdles?
 - None

Athenna Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Make sure the project is working properly in my environment.
 - Go over who will be responsible for which user story.
- What is planned to be done until the next scrum meeting?
 - Work on my assigned user story
- What are the hurdles?
 - None at the moment

Peter Duarte:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Ensure the project is working properly in my environment
- What is planned to be done until the next scrum meeting?
 - Research what needs to be done to complete my user story

- What are the hurdles?
 - None at the moment

Eduardo Dally:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Delegate user stories.
- What is planned to be done until the next scrum meeting?
 - Set up development environment.
 - Start learning the code base and React Native.
- What are the hurdles?
 - None

Anabel Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Started to research about the architecture and technologies for the Admin Portal
- What is planned to be done until the next scrum meeting?
 - Discuss all alternatives with the team
 - Choose appropriate alternative
 - Set up the development environment for the Admin portal.
- What are the hurdles?
 - None

Kelvin Gonzalez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Started to research my assigned user story(e.g., hide/show admin console feature)
 - Verified project was working correctly on my development environment
 - Continued to deepen my knowledge on React
- What is planned to be done until the next scrum meeting?
 - Continue to do research on my assigned user story
- What are the hurdles?
 - None yet

CAPSTONE 1:

Bryant Rojas:

- How many hours did I work since the last meeting?

- 1
- What was done since the last scrum meeting?
 - Started learning PEM app code.
- What is planned to be done until the next scrum meeting?
 - Familiarize myself with the code for the PEM app.
- What are the hurdles?
 - None

Danielis Insua:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued reviewing PEM app material.
- What is planned to be done until the next scrum meeting?
 - Review PEM App material to better understand project goals.
- What are the hurdles?
 - None

Felipe Arce:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Started to review the PEM docs and code
- What is planned to be done until the next scrum meeting?
 - Dive more in-depth to the code
- What are the hurdles?
 - None

5/18/2021

Daily Scrum Meeting Minutes:

Attendees: Ana Martinez, Athenna Martinez, Peter Duarte, Anabel Perez, Kelvin Gonzalez, Eduardo Dally, Bryant Rojas, Danielis Insua, Felipe Arce.

Start time: 8:15 PM

End time: 8:30 PM

CAPSTONE 2:

Ana Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Work on my assigned user story
- What is planned to be done until the next scrum meeting?

- Continue working on my assigned user story
- What are the hurdles?
 - None

Athenna Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Make sure the project is working properly in my environment.
 - Work on my assigned user story
- What is planned to be done until the next scrum meeting?
 - Work on my assigned user story
 - Research on how to successfully execute my user story
- What are the hurdles?
 - None at the moment

Peter Duarte:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Ensure the project is working properly in my environment
 - Research what needs to be done to complete my user story
- What is planned to be done until the next scrum meeting?
 - Research what needs to be done to complete my user story
- What are the hurdles?
 - None at the moment

Eduardo Dally:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Gain access to the project repository.
 - Clone the repository and look over the code.
- What is planned to be done until the next scrum meeting?
 - Set up repo for Admin Portal.
- What are the hurdles?
 - None

Anabel Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Researched about the architecture and technologies for the Admin Portal
- What is planned to be done until the next scrum meeting?

- Continue research about the architecture and technologies for the Admin Portal
 - Discuss findings with the team
- What are the hurdles?
 - None

Kelvin Gonzalez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Started to research my assigned user story(e.g., hide/show admin console feature)
 - Continued to deepen my knowledge on React
- What is planned to be done until the next scrum meeting?
 - Continue to do research on my assigned user story
 - Coordinate with other team member(s) the development of overlapping/dependent features
- What are the hurdles?
 - None yet

CAPSTONE 1:

Bryant Rojas:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued learning PEM app code.
- What is planned to be done until the next scrum meeting?
 - Familiarize myself with the code for the PEM app.
- What are the hurdles?
 - None

Dianelis Insua:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued reviewing PEM app material.
- What is planned to be done until the next scrum meeting?
 - Review PEM App material to better understand project goals.
- What are the hurdles?
 - None

Felipe Arce:

- How many hours did I work since the last meeting?

- 1
- What was done since the last scrum meeting?
 - Started to review the PEM docs and code
- What is planned to be done until the next scrum meeting?
 - Dive more in-depth to the code
- What are the hurdles?
 - None

5/19/2021

Daily Scrum Meeting Minutes:

Attendees: Ana Martinez, Athenna Martinez, Peter Duarte, Anabel Perez, Kelvin Gonzalez, Eduardo Dally, Bryant Rojas, Danelis Insua, Felipe Arce.

Start time: 8:15 PM

End time: 8:30 PM

CAPSTONE 2:

Ana Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Work on my assigned user story
- What is planned to be done until the next scrum meeting?
 - Continue working on my assigned user story
- What are the hurdles?
 - None

Athenna Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Make sure the project is working properly in my environment.
 - Work on my assigned user story
- What is planned to be done until the next scrum meeting?
 - Continue working on my assigned user story
 - Research on how to successfully execute my user story
- What are the hurdles?
 - None at the moment

Peter Duarte:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?

- Ensure the project is working properly in my environment
 - Research what needs to be done to complete my user story
- What is planned to be done until the next scrum meeting?
 - Research what needs to be done to complete my user story
- What are the hurdles?
 - None at the moment

Eduardo Dally:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Work on setting up admin portal repo.
- What is planned to be done until the next scrum meeting?
 - Finish admin portal repo.
 - Learn project code.
- What are the hurdles?
 - None

Anabel Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Researched about the architecture and technologies for the Admin Portal
- What is planned to be done until the next scrum meeting?
 - Continue research about the architecture and technologies for the Admin Portal
 - Discuss findings with the team
 - Decide on the architecture
- What are the hurdles?
 - None

Kelvin Gonzalez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Started to research my assigned user story(e.g., hide/show admin console feature)
 - Continued to deepen my knowledge on React
- What is planned to be done until the next scrum meeting?
 - Continue to do research on my assigned user story and start initial phase implementation
 - Coordinate with other team member(s) the development of overlapping/dependent features
- What are the hurdles?

- None yet

CAPSTONE 1:

Bryant Rojas:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued learning PEM app code.
- What is planned to be done until the next scrum meeting?
 - Familiarize myself with the code for the PEM app.
- What are the hurdles?
 - None

Dianelis Insua:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued reviewing PEM app material.
- What is planned to be done until the next scrum meeting?
 - Review PEM App material to better understand project goals.
- What are the hurdles?
 - None

Felipe Arce:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued to review the PEM docs and code
- What is planned to be done until the next scrum meeting?
 - Dive more in-depth to the code
- What are the hurdles?
 - None

5/20/2021

Daily Scrum Meeting Minutes:

Attendees: Ana Martinez, Athenna Martinez, Peter Duarte, Anabel Perez, Kelvin Gonzalez, Eduardo Dally, Bryant Rojas, Dianelis Insua, Felipe Arce.

Start time: 7:45 PM

End time: 8:00 PM

CAPSTONE 2:

Ana Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Work on my assigned user story
- What is planned to be done until the next scrum meeting?
 - Continue working on my assigned user story
- What are the hurdles?
 - None

Athenna Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Make sure the project is working properly in my environment.
 - Work on my assigned user story
- What is planned to be done until the next scrum meeting?
 - Continue working on my assigned user story
 - Research on how to successfully execute my user story
- What are the hurdles?
 - None at the moment

Peter Duarte:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Ensure the project is working properly in my environment
 - Research what needs to be done to complete my user story
- What is planned to be done until the next scrum meeting?
 - Research what needs to be done to complete my user story
- What are the hurdles?
 - None at the moment

Eduardo Dally:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Set up Repo for admin portal.
 - Create react boiler plate for admin page.
- What is planned to be done until the next scrum meeting?
 - Work on adding logo to mobile app.
 - Learn project code.
- What are the hurdles?

- None

Anabel Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Researched about the architecture and technologies for the Admin Portal
 - Discussed findings with the team
 - Decided on the architecture
- What is planned to be done until the next scrum meeting?
 - Improve current structure of the Github account and repos for mobile/web
- What are the hurdles?
 - None

Kelvin Gonzalez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Started to research my assigned user story(e.g., hide/show admin console feature)
- What is planned to be done until the next scrum meeting?
 - Continue to do research on my assigned user story and start initial phase implementation
 - Coordinate with other team member(s) the development of overlapping/dependent features
- What are the hurdles?
 - None yet

CAPSTONE 1:

Bryant Rojas:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued learning PEM app code.
- What is planned to be done until the next scrum meeting?
 - Familiarize myself with the code for the PEM app.
- What are the hurdles?
 - None

Dianelis Insua:

- How many hours did I work since the last meeting?

- 1
- What was done since the last scrum meeting?
 - Continued reviewing PEM app material.
- What is planned to be done until the next scrum meeting?
 - Review PEM App material to better understand project goals.
- What are the hurdles?
 - None

Felipe Arce:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued to review the PEM docs and code
- What is planned to be done until the next scrum meeting?
 - Dive more in-depth to the code
- What are the hurdles?
 - None

5/21/2021

Daily Scrum Meeting Minutes:

Attendees: Ana Martinez, Athenna Martinez, Peter Duarte, Anabel Perez, Kelvin Gonzalez, Eduardo Dally, Bryant Rojas, Danelis Insua, Felipe Arce.

Start time: 8:15 PM

End time: 8:30 PM

CAPSTONE 2:

Ana Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Work on my assigned user story
- What is planned to be done until the next scrum meeting?
 - Continue working on my assigned user story
- What are the hurdles?
 - None

Athenna Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Make sure the project is working properly in my environment.
- What is planned to be done until the next scrum meeting?

- Create user roles and separate into groups to improve application security
- What are the hurdles?
 - None at the moment

Peter Duarte:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Ensure the project is working properly in my environment
 - Research what needs to be done to complete my user story
- What is planned to be done until the next scrum meeting?
 - Research what needs to be done to complete my user story
- What are the hurdles?
 - None at the moment

Eduardo Dally:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with Capstone 2 to talk about upcoming features.
- What is planned to be done until the next scrum meeting?
 - Work on adding logo to mobile app.
- What are the hurdles?
 - None

Anabel Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Improve current structure of the Github account and repos for mobile/web
- What is planned to be done until the next scrum meeting?
 - Continue improving the structure of the Github account and repos for mobile/web
 - Start adding functionality to the web portal
- What are the hurdles?
 - None

Kelvin Gonzalez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Started to research my assigned user story(e.g., hide/show admin console feature)
 - Started to develop functionality related to the story

- What is planned to be done until the next scrum meeting?
 - Continue to do research on my assigned user story and start initial phase implementation
 - Coordinate with other team member(s) the development of overlapping/dependent features
- What are the hurdles?
 - None yet

CAPSTONE 1:

Bryant Rojas:

 - Research what needs to be done to complete my user story
- What is planned to be done until the next scrum meeting?
 - Research what needs to be done to complete my user story
- What are the hurdles?
 - None at the moment

Eduardo Dally:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Work on adding logo to mobile app.
- What is planned to be done until the next scrum meeting?
 - Finish adding logo to mobile app.
- What are the hurdles?
 - None

Anabel Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Removed white black gap below footer categories in app
- What is planned to be done until the next scrum meeting?
 - Understand the login functionality of the portal in order to work on improvements.
- What are the hurdles?
 - None

Kelvin Gonzalez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Started to develop functionality related to the story
- What is planned to be done until the next scrum meeting?
 - Coordinate with other team member(s) the development of overlapping/dependent features
 - Continue to develop code for assigned user story
- What are the hurdles?
 - None yet

CAPSTONE 1:

Bryant Rojas:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued learning PEM app code.
- What is planned to be done until the next scrum meeting?
 - Familiarize myself with the code for the PEM app.
- What are the hurdles?
 - None

Dianelis Insua:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued reviewing PEM app material.
- What is planned to be done until the next scrum meeting?
 - Review PEM App material to better understand project goals.
- What are the hurdles?
 - None

Felipe Arce:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued to review the PEM docs and code
- What is planned to be done until the next scrum meeting?
 - Dive more in-depth to the code
- What are the hurdles?
 - None

5/28/2021

Daily Scrum Meeting Minutes:

Attendees: Ana Martinez, Athenna Martinez, Peter Duarte, Anabel Perez, Kelvin Gonzalez, Eduardo Dally, Bryant Rojas, Dianelis Insua, Felipe Arce.

Start time: 7:45 PM

End time: 8:00 PM

CAPSTONE 2:

Ana Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Work on my assigned user story
- What is planned to be done until the next scrum meeting?
 - Continue working on my assigned user story
- What are the hurdles?
 - None

Athenna Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Make sure the project is working properly in my environment.
- What is planned to be done until the next scrum meeting?
 - Create user roles and separate into groups to improve application security
 - Grant users different permissions depending on their role
- What are the hurdles?
 - None at the moment

Peter Duarte:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Ensure the project is working properly in my environment
 - Research what needs to be done to complete my user story
- What is planned to be done until the next scrum meeting?
 - Research what needs to be done to complete my user story
- What are the hurdles?
 - None at the moment

Eduardo Dally:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with PO.
- What is planned to be done until the next scrum meeting?
 - Reprioritize user stories.
- What are the hurdles?
 - None

Anabel Perez:

- How many hours did I work since the last meeting?

- 2

6/9/2021

Daily Scrum Meeting Minutes:

Attendees: Ana Martinez, Athenna Martinez, Peter Duarte, Anabel Perez, Kelvin Gonzalez, Eduardo Dally, Bryant Rojas, Dianelis Insua, Felipe Arce.

Start time: 8:15 PM

End time: 8:30 PM

CAPSTONE 2:

Ana Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Work on my assigned user story
- What is planned to be done until the next scrum meeting?
 - Continue working on my assigned user story
- What are the hurdles?
 - None

Athenna Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on user stories
 - Learning firebase custom claims and security rules
- What is planned to be done until the next scrum meeting?
 - Create user roles and separate into groups to improve application security
 - Grant users different permissions depending on their role
 - Writing custom claims and security rules on firebase
- What are the hurdles?
 - None at the moment

Peter Duarte:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Ensure the project is working properly in my environment
 - Research what needs to be done to complete my user story
- What is planned to be done until the next scrum meeting?
 - Research what needs to be done to complete my user story
- What are the hurdles?
 - None at the moment

Eduardo Dally:

- How many hours did I work since the last meeting?

- 2
- What was done since the last scrum meeting?
 - Work on user stories.
- What is planned to be done until the next scrum meeting?
 - Continue working on user stories.
- What are the hurdles?
 - Unfamiliarity with react native.

Anabel Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Researched how to have beta testing for Android
 - Researched how to keep formatting when copying from clipboard
- What is planned to be done until the next scrum meeting?
 - Start the process for beta testing for Android
- What are the hurdles?
 - None

Kelvin Gonzalez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Started to develop functionality related to login functionality of admin portal
- What is planned to be done until the next scrum meeting?
 - Coordinate with other team member(s) the development of overlapping/dependent features
 - Continue to develop code for assigned user story
- What are the hurdles?
 - None yet

CAPSTONE 1:

Bryant Rojas:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued learning PEM app code.
- What is planned to be done until the next scrum meeting?
 - Familiarize myself with the code for the PEM app.
- What are the hurdles?
 - None

Danielis Insua:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued reviewing PEM app material.
- What is planned to be done until the next scrum meeting?
 - Review PEM App material to better understand project goals.
- What are the hurdles?
 - None

Felipe Arce:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued to review the PEM docs and code
- What is planned to be done until the next scrum meeting?
 - Dive more in-depth to the code
- What are the hurdles?
 - None

6/10/2021

Daily Scrum Meeting Minutes:

Attendees: Ana Martinez, Athenna Martinez, Peter Duarte, Anabel Perez, Kelvin Gonzalez, Eduardo Dally, Bryant Rojas, Danielis Insua, Felipe Arce.

Start time: 8:15 PM

End time: 8:30 PM

 - Research what needs to be done to complete my user story
- What is planned to be done until the next scrum meeting?
 - Research what needs to be done to complete my user story
- What are the hurdles?
 - None at the moment

Eduardo Dally:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Work on mobile home page.
- What is planned to be done until the next scrum meeting?
 - Work on mobile home page.
 - Make the UI adjust to different screen resolutions.
- What are the hurdles?
 - Unfamiliarity with react native.

Anabel Perez:

- How many hours did I work since the last meeting?
 - 2

- What was done since the last scrum meeting?
 - Continued to work on Google Dev Acc
 - Work on autolink functionality for subtopics
- What is planned to be done until the next scrum meeting?
 - Work on autolink functionality for subtopics
- What are the hurdles?
 - None

Kelvin Gonzalez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continued to develop functionality related to login functionality of admin portal
- What is planned to be done until the next scrum meeting?
 - Coordinate with other team member(s) the development of overlapping/dependent features
 - Continue to develop code for assigned user story
- What are the hurdles?
 - None yet

CAPSTONE 1:

Bryant Rojas:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued learning PEM app code.
- What is planned to be done until the next scrum meeting?
 - Familiarize myself with the code for the PEM app.
- What are the hurdles?
 - None

Dianelis Insua:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued reviewing PEM app material.
- What is planned to be done until the next scrum meeting?
 - Review PEM App material to better understand project goals.
- What are the hurdles?
 - None

Felipe Arce:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued to review the PEM docs and code
- What is planned to be done until the next scrum meeting?
 - Dive more in-depth to the code
- What are the hurdles?
 - None

6/22/2021

Daily Scrum Meeting Minutes:

Attendees: Ana Martinez, Athenna Martinez, Peter Duarte, Anabel Perez, Kelvin Gonzalez, Eduardo Dally, Bryant Rojas, Danelis Insua, Felipe Arce.

Start time: 8:15 PM

End time: 8:30 PM

CAPSTONE 2:

Ana Martinez:

- What are the hurdles?

Kelvin Gonzalez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continue to develop the front end structure of the admin portal (web)
- What is planned to be done until the next scrum meeting?
 - Coordinate with other team member(s) the development of overlapping/dependent features
 - Continue to develop code for assigned user story
- What are the hurdles?
 - None yet

CAPSTONE 1:

Bryant Rojas:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued learning PEM app code.
- What is planned to be done until the next scrum meeting?
 - Familiarize myself with the code for the PEM app.
- What are the hurdles?
 - None

Dianelis Insua:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued reviewing PEM app material.
- What is planned to be done until the next scrum meeting?
 - Review PEM App material to better understand project goals.
- What are the hurdles?
 - None

Felipe Arce:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued to review the PEM docs and code

- What is planned to be done until the next scrum meeting?
 - Dive more in-depth to the code
- What are the hurdles?
 - None

7/02/2021

Daily Scrum Meeting Minutes:

Attendees: Ana Martinez, Athenna Martinez, Peter Duarte, Anabel Perez, Kelvin Gonzalez, Eduardo Dally, Bryant Rojas, Danelis Insua, Felipe Arce.

Start time: 8:15 PM

End time: 8:30 PM

CAPSTONE 2:

Ana Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Work on my assigned user story
- What is planned to be done until the next scrum meeting?
 - Continue working on my assigned user story
- What are the hurdles?
 - None

Athenna Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on user stories
 - Learning firebase custom claims and security rules
 - Researching what needs to be done for new user stories
- What is planned to be done until the next scrum meeting?
 - Grant users different permissions depending on their role
 - Writing custom claims and security rules on firebase
 - Push code for user story #26
- What are the hurdles?
 - None at the moment

Peter Duarte:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?

- Ensure the project is working properly in my environment
 - Research what needs to be done to complete my user story
- What is planned to be done until the next scrum meeting?
 - Research what needs to be done to complete my user story
- What are the hurdles?
 - None at the moment

Eduardo Dally:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Work on mobile home page.
- What is planned to be done until the next scrum meeting?
 - Work on mobile home page.
 - Make the UI adjust to different screen resolutions.
- What are the hurdles?
 - Unfamiliarity with react native.

Anabel Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on autolink functionality for subtopics
- What is planned to be done until the next scrum meeting?
 - Work on autolink functionality for subtopics
- What are the hurdles?

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Work on my assigned user story
- What is planned to be done until the next scrum meeting?
 - Continue working on my assigned user story
- What are the hurdles?
 - None

Athenna Martinez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on user stories
 - Learning firebase custom claims and security rules
 - Added admin user code
- What is planned to be done until the next scrum meeting?
 - Grant users different permissions depending on their role
 - Writing custom claims and security rules on firebase
 - Remove edit and delete from regular user role
- What are the hurdles?
 - None at the moment

Peter Duarte:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Ensure the project is working properly in my environment
 - Research what needs to be done to complete my user story
- What is planned to be done until the next scrum meeting?
 - Research what needs to be done to complete my user story
- What are the hurdles?
 - None at the moment

Eduardo Dally:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Work on mobile home page.
 - Work on FAQ page.
- What is planned to be done until the next scrum meeting?

- Work on mobile home page.
 - Make the UI adjust to different screen resolutions.
- What are the hurdles?
 - Unfamiliarity with react native.

Anabel Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on uploading file functionality for profile
 - Tried the the bug that prevents images from being persisted
- What is planned to be done until the next scrum meeting?
 - Work on uploading file functionality for profile
 - Fix the the bug that prevents images from being persisted
- What are the hurdles?

Kelvin Gonzalez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continue to develop the front end structure of the admin portal (web)
- What is planned to be done until the next scrum meeting?
 - Coordinate with other team member(s) the development of overlapping/dependent features
 - Continue to develop code for assigned user story
- What are the hurdles?
 - None yet

CAPSTONE 1:

Bryant Rojas:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued learning PEM app code.
- What is planned to be done until the next scrum meeting?
 - Familiarize myself with the code for the PEM app.
- What are the hurdles?
 - None

Dianelis Insua:

- How many hours did I work since the last meeting?

- 1
- What was done since the last scrum meeting?
 - Continued reviewing PEM app material.
- What is planned to be done until the next scrum meeting?
 - Review PEM App material to better understand project goals.
- What are the hurdles?
 - None

Felipe Arce:

- How many hours did I work since the last meeting?
 - 1
- What was done since the last scrum meeting?
 - Continued to review the PEM docs and code
- What is planned to be done until the next scrum meeting?
 - Dive more in-depth to the code
- What are the hurdles?
 - None

7/19/2021

Daily Scrum Meeting Minutes:

Attendees: Ana Martinez, Athenna Martinez, Peter Duarte, Anabel Perez, Kelvin Gonzalez, Eduardo Dally, Bryant Rojas, Dianelis Insua, Felipe Arce.

Start time: 8:15 PM

End time: 8:30 PM
