

Sprint 1:

1/19:

Daily Scrum Meeting Minutes:

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 1:40pm

End time: 2:00pm

Catherine Angelini:

- How many hours did I work since the last meeting?
 - N/A
- What was done since the last scrum meeting?
 - Had sprint planning meeting with PO and other capstone 2 team members
 - Discussed meeting times, where to pick up from, and ideas for the semester
- What is planned to be done until the next scrum meeting?
 - Break down the website and note down improvements to be made
 - Look into switching to Flask
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Meet with Capstone 1 and 2 teams and PO to discuss product goals
 - Checked out project repo
- What is planned to be done until the next scrum meeting?
 - Run and understand the project code
 - Look into documentation and design improvements with possible migration to Flask in mind
- What are the hurdles?
 - Large codebase

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Meet with Capstone 1 and 2 teams and PO to discuss product goals
 - Checked out project repo
- What is planned to be done until the next scrum meeting?
 - Run and understand the project code

- Look into documentation and design improvements with possible migration to Flask
- What are the hurdles?
 - N/A

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2.5
- What was done since the last scrum meeting?
 - Had the sprint planning meeting with the PO and the rest of the team.
- What is planned to be done until the next scrum meeting?
 - Run the program and find out what can be improved
 - Look into Flask and RESTful API
- What are the hurdles?
- None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Attended Sprint Planning with the team to go over key objectives and roles of each team member.
 - Discussed team members availability for meeting times.
- What is planned to be done until the next scrum meeting?
 - Clone site, gets familiar with frameworks being used, and finds possible errors/room for improvement.
- What are the hurdles?
 - N/A

1/20:

Daily Scrum Meeting Minutes: Sprint 1 - Day 2

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 2:30 PM

End time: 3:00 PM

Catherine Angelini:

- How many hours did I work since the last meeting?

- 2
- What was done since the last scrum meeting?
 - Setting up the project environment
 - Review the previous work we have done with capstone 2 team
- What is planned to be done until the next scrum meeting?
 - Finish setting up project environment
 - Start noting down bugs/improvements to be made on website
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Reviewed last semesters Code project
 - Reviewed Django concepts
- What is planned to be done until the next scrum meeting?
 - Continue exploring site functionality
- What are the hurdles?
 - Large codebase

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Review the previous Capstone II work with team
 - Deal with house fumigation
- What is planned to be done until the next scrum meeting?
 - Investigate the usage of flask over Django
- What are the hurdles?
 - N/A

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Setup the project environment
- What is planned to be done until the next scrum meeting?
 - Finish setting up the environment and run the project
 - Find out what things/features could be improved
- What are the hurdles?

- None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Setup the project environment
- What is planned to be done until the next scrum meeting?
 - Investigate the usage of flask over Django
 - Finish setting up project environment
 - Review the previous work we have done with capstone 2 team
- What are the hurdles?
 - None

1/21:

Daily Scrum Meeting Minutes: Sprint 1 - Day 3

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 2:00 PM

End time: 2:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Debugging system issues when running project environment
- What is planned to be done until the next scrum meeting?
 - Fix the issues with running the project environment
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked with previous senior project team member to run project
 - Reviewed Django MVC concepts
- What is planned to be done until the next scrum meeting?
 - Finish project build
 - Look into site functionality

- What are the hurdles?
 - n/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 1.5
- What was done since the last scrum meeting?
 - Setup workstation after home was finished being fumigated.
 - Pulled current repo to begin the process of migrating to a new repo
- What is planned to be done until the next scrum meeting?
 - Running current repo
 - Taking notes on what needs to be done
- What are the hurdles?
 - My house being fumigated :/

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finished setting up the project environment.
 - Had some system issues while running the project
- What is planned to be done until the next scrum meeting?
 - Fix those issues and run the project
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Setup the project environment
- What is planned to be done until the next scrum meeting?
 - Investigate the usage of flask over Django
 - Finish setting up project environment
 - Review the previous work we have done with capstone 2 team
- What are the hurdles?
 - None

1/22:

Daily Scrum Meeting Minutes: Sprint 1 - Day 4

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 3:00 PM

End time: 3:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continuing debugging project to get it up and running
 - Working with teammates to have the project working in all our systems
- What is planned to be done until the next scrum meeting?
 - Finish setting up project environment in my system
- What are the hurdles?
 - Building issues

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2.5
- What was done since the last scrum meeting?
 - Tried building Django project on my MacOS machine, although experienced issues with gcc compiler and GDAL installation for Django dependencies
 - Tried debugging build failures
 - Scheduled debug session with Muddasir for this Sunday
 - Reviewed Django docs
- What is planned to be done until the next scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
- What are the hurdles?
 - Tricky MacOS build process with Django

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continued working on debugging the system
 - Reading up on Flask
- What is planned to be done until the next scrum meeting?
 - Finish testing
- What are the hurdles?
 - N/A

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - I tried resolving the issues that I was getting while running the project, but I couldn't resolve them.
 - Turns out that some of my macOS files are corrupted/overwritten which is causing that issue, and the only way to fix that is by reinstalling the OS
- What is planned to be done until the next scrum meeting?
 - Reinstall macOS on my computer
 - Setup the project environment (again)
 - Run the Project (hopefully, it will work this time)
 - Make a list of features that could be improved
- What are the hurdles?
 - OS needs to be reinstalled on my computer

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Investigate the usage of flask over Django
 - Finish setting up project environment
- What is planned to be done until the next scrum meeting?
 - Review the previous work we have done with capstone 2 team
- What are the hurdles?
 - None

1/25:

Daily Scrum Meeting Minutes: Sprint 1 - Day 5

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 2:30 PM

End time: 3:00 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Researching on Flask and Django
 - Finishing debugging project build problems

- Had meeting with PO and other team members in Capstone I and II
- What is planned to be done until the next scrum meeting?
 - Finish setting up project environment in my system
- What are the hurdles?
 - Building issues

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continue Debugging process with Django build (not filing an issue yet)
 - Reviewed Django docs
 - Met with PO and project members
- What is planned to be done until the next scrum meeting?
 - Continue debugging process
 - Continue reviewing Django docs
- What are the hurdles?
 - Tricky MacOS build process with Django

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Decided on Django for the final framework
- What is planned to be done until the next scrum meeting?
 - Fix issues with running previous semester's code
 - Assign deliverables to Capstone pairs
- What are the hurdles?
 - Issues with running code

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Looked into whether to migrate to Flask or if we should stick to django
- What is planned to be done until the next scrum meeting?
 - I am flying back to Miami, my flight is in a few hours, so I won't be able to work on anything until I get back.
- What are the hurdles?
 - 40+ hours flight from LHE to MIA

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Review the previous work we have done with capstone 2 team
 - Finish setting up project environment
- What is planned to be done until the next scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
- What are the hurdles?
 - None

1/28:

Daily Scrum Meeting Minutes: Sprint 1 - Day 6

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 6:00 PM

End time: 6:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Trying new ways to get the project working on Windows machine using Pycharm
 - Getting similar OS errors
- What is planned to be done until the next scrum meeting?
 - Finish getting the project to work on my machine
- What are the hurdles?
 - Project build errors

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Debugged Django build process, experiencing new errors ☐
- What is planned to be done until the next scrum meeting?
 - Start Django tutorial I found
 - Finish debugging project build
- What are the hurdles?
 - Repo Build process

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Reproduced errors found by teammates
 - Trying to dubbed Django on Windows
- What is planned to be done until the next scrum meeting?
 - Solve Django problems
 - Begin work on assigned task for entire project
- What are the hurdles?
 - Python on Windows is not so fun :/

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Debugged the errors that I was getting with Django build process
- What is planned to be done until the next scrum meeting?
 - Finish debugging process build.
- What are the hurdles?
 - Repo Build process

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Review the previous work we have done with capstone 2 team
 - Finish setting up project environment
- What is planned to be done until the next scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
- What are the hurdles?
 - None

1/29:

Daily Scrum Meeting Minutes: Sprint 1 - Day 7

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 7:00 PM

End time: 7:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Was admitted to hospital due to high fever and being immunocompromised
- What is planned to be done until the next scrum meeting?
 - Get better to be able to continue with the project
- What are the hurdles?
 - Health

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Traveling, will be back tomorrow morning
 - Django docs
- What is planned to be done until the next scrum meeting?
 - Build and review docs
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continued Django debugging and learning
- What is planned to be done until the next scrum meeting?
 - Django debugging
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continued debugging Django
- What is planned to be done until the next scrum meeting?
 - Finish debugging Django
- What are the hurdles?

- N/A

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Review the previous work we have done with capstone 2 team
 - Finish setting up project environment
- What is planned to be done until the next scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
- What are the hurdles?
 - None

1/30:

Daily Scrum Meeting Minutes: Sprint 1 - Day 8

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 7:00 PM

End time: 7:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Still in hospital and found problem as to how to make project run but need better Internet to execute the commands
- What is planned to be done until the next scrum meeting?
 - Get better to be able to continue with the project
- What are the hurdles?
 - Health

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Traveling, will be back tomorrow morning
 - Django docs
- What is planned to be done until the next scrum meeting?
 - Build and review docs
- What are the hurdles?

- N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 4
- What was done since the last scrum meeting?
 - Deployed EcoMapper for research and website data
- What is planned to be done until the next scrum meeting?
 - Django debugging
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continued debugging Django
- What is planned to be done until the next scrum meeting?
 - Finish debugging Django
- What are the hurdles?
 - Django debugging

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Review the previous work we have done with capstone 2 team
 - Finish setting up project environment
- What is planned to be done until the next scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
- What are the hurdles?
 - None

1/31:

Daily Scrum Meeting Minutes: Sprint 1 - Day 9

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 3:00 PM

End time: 3:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Still in hospital and found problem as to how to make project run but need better Internet to execute the commands
- What is planned to be done until the next scrum meeting?
 - Get better to be able to continue with the project
- What are the hurdles?
 - Health

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Project build
- What is planned to be done until the next scrum meeting?
 - review docs and test project functionality
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Completed Django readings and troubleshooting
- What is planned to be done until the next scrum meeting?
 - Begin work on assigned task with Capstone I partner!
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?

- Continued debugging Django
- What is planned to be done until the next scrum meeting?
 - Start working on assigned user stories
- What are the hurdles?
 - Django debugging

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finish setting up project environment
- What is planned to be done until the next scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
- What are the hurdles?
 - None

Sprint 2:

Day 1:

Daily Scrum Meeting Minutes: Sprint 2 - Day 1

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 5:30 PM

End time: 6:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Still in hospital getting treated
- What is planned to be done until the next scrum meeting?
 - Get better to be able to continue with the project
- What are the hurdles?
 - Health

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Sprint Planning meeting with PO and capstone 1 team

- Django docs
- What is planned to be done until the next scrum meeting?
 - review docs and test project functionality
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Sprint Planning meeting with PO and capstone 1 team
 - Django docs
- What is planned to be done until the next scrum meeting?
 - Begin work on assigned task with Capstone I partner(s)!
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Sprint planning meeting with the PO and the rest of the team
 - Django Docs
- What is planned to be done until the next scrum meeting?
 - Begin work on assigned user stories
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finish setting up project environment
- What is planned to be done until the next scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
- What are the hurdles?
 - None

Day 2:

Daily Scrum Meeting Minutes: Sprint 2 - Day 2

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 7:30 PM

End time: 8:00 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Split up into teams and created UI/UX group
 - Got project up and running successfully in windows machine
- What is planned to be done until the next scrum meeting?
 - Meet up with capstone I teammates from UI/UX group
 - Start noting down the problems/improvements to be made on the website
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked with teammates to build app successfully
 - Refined and divided tasks with capstone 1 and 2 teams
 - Found bugs in website and documented them for fixing
 - Scheduled meeting to work on API key feature for Monday
- What is planned to be done until the next scrum meeting?
 - Continue testing website and skimming through backend logic
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Meet with Damani and breakdown the data vizualization task
 - Begin creating design mock-ups
- What is planned to be done until the next scrum meeting?
 - Further visualization research
- What are the hurdles?
 - N/A

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Ran the project and tested the functionalities
 - Found some bugs that need to be fixed
- What is planned to be done until the next scrum meeting?
 - Meet with capstone I team and start working on the API
 - Continue testing the website
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finish setting up project environment
 - Split up into teams and created DB Teams
- What is planned to be done until the next scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
- What are the hurdles?
 - None

Day 3:

Daily Scrum Meeting Minutes: Sprint 2 - Day 3

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 6:30 PM

End time: 7:00 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Prepare for Monday's meeting the UI/UX team
 - Discuss what we should review before then
 - Note down some bugs and improvements to be made in the UI
- What is planned to be done until the next scrum meeting?
 - Meet up with capstone I teammates from UI/UX group
 - Continue noting down the problems/improvements to be made on the website
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Explored website and Django docs
- What is planned to be done until the next scrum meeting?
 - Continue testing website and skimming through backend logic
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Meet with Damani and breakdown the data vizualization task
 - Begin creating design mock-ups
- What is planned to be done until the next scrum meeting?
 - Further visualization research
- What are the hurdles?
 - N/A

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Founds some more bugs that need to be fixed
- What is planned to be done until the next scrum meeting?
 - Meet with capstone I team and start working on the API
 - Continue testing the website
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finish setting up project environment
 - Split up into teams and created DB Teams
- What is planned to be done until the next scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs

- What are the hurdles?
 - None

Day 4:

Daily Scrum Meeting Minutes: Sprint 2 - Day 4

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 6:30 PM

End time: 7:00 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continue to note down some bugs and improvements to be made in the UI
 - Went back to ER and got admitted again due to fever so trying to recover from that
- What is planned to be done until the next scrum meeting?
 - Meet up with capstone I teammates from UI/UX group
 - Continue noting down the problems/improvements to be made on the website
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Explored website and Django docs
- What is planned to be done until the next scrum meeting?
 - Continue testing website and skimming through backend logic
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Acquired mock data for preliminary visuals
- What is planned to be done until the next scrum meeting?
 - Further visualization research
- What are the hurdles?
 - N/A

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Skimmed through backend logic
- What is planned to be done until the next scrum meeting?
 - Continue testing the website
 - Schedule a meeting with capstone-I students and John.
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finish setting up project environment
 - Split up into teams and created DB Teams
- What is planned to be done until the next scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
- What are the hurdles?
 - None

Day 5:

Daily Scrum Meeting Minutes: Sprint 2 - Day 5

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 6:30 PM

End time: 7:00 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continue to note down improvements to be made in the UI
- What is planned to be done until the next scrum meeting?
 - Meet up with capstone I teammates from UI/UX group

- Continue noting down the problems/improvements to be made on the website
- What are the hurdles?
 - Still in hospital so it is difficult to focus on anything other than my health

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Looked through some api tutorial
- What is planned to be done until the next scrum meeting?
 - Meet with sub group to determine tasks for API-key feature
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Created mock examples of Heat map based off new data
- What is planned to be done until the next scrum meeting?
 - Further visualization research
- What are the hurdles?
 - N/A

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Skimmed through backend logic
 - Scheduled a meeting with John and capstone I students
- What is planned to be done until the next scrum meeting?
 - Continue testing the website and note down what things/features can be improved.
 - Meet with sub group to determine tasks for API-key feature
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finish setting up project environment
 - Split up into teams and created DB Teams
- What is planned to be done until the next scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
- What are the hurdles?
 - None

Day 6:

Daily Scrum Meeting Minutes: Sprint 2 - Day 6

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 8:30 PM

End time: 9:00 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Decided how to go about doing the UI/UX for the website
- What is planned to be done until the next scrum meeting?
 - Meet up with capstone I teammates from UI/UX group
 - Start splitting up the tasks between the teammates
- What are the hurdles?
 - Still in hospital so it is difficult to focus on anything other than my health

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with API team and contacted PO regarding distribution of tasks for user story 2
 - Went through Django REST framework docs
- What is planned to be done until the next scrum meeting?
 - Continue going through django docs and tutorials to prepare for first contribute towards API feature
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Looked into 3D Kriging maps
- What is planned to be done until the next scrum meeting?
 - Further visualization research
- What are the hurdles?
 - N/A

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with API team and contacted PO regarding distribution of tasks for user story 2
 - Scheduled meeting with John, Faran, and Brian regarding API tasking
- What is planned to be done until the next scrum meeting?
 - Continue testing the website and note down what things/features can be improved.
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finish setting up project environment
 - Split up into teams and created DB Teams
- What is planned to be done until the next scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
- What are the hurdles?
 - None

Day 7:

Daily Scrum Meeting Minutes: Sprint 2 - Day 7

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 7:00 PM

End time: 7:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Working with UI/UX team to show them how Django works
 - Making mockups and noting down ideas for how to change the UI of the website
- What is planned to be done until the next scrum meeting?
 - Split up the UI/UX tasks between teammates
- What are the hurdles?
 - Still in hospital so it is difficult to focus on anything other than my health

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Went through Django REST framework docs
- What is planned to be done until the next scrum meeting?
 - Continue going through django docs and tutorials to prepare for first contribute towards API feature
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked with research team to survey BBC data types
- What is planned to be done until the next scrum meeting?
 - Further visualization research and implementation
- What are the hurdles?
 - N/A

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Went through Django docs and tutorials
- What is planned to be done until the next scrum meeting?
 - Continue going through Django docs and tutorials and start to contribute towards API feature

- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finish setting up project environment
 - Split up into teams and created DB Teams
- What is planned to be done until the next scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
- What are the hurdles?
 - None

Day 8:

Daily Scrum Meeting Minutes: Sprint 2 - Day 8

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 7:00 PM

End time: 7:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with UI/UX team
 - Making mockups and noting down ideas for how to change the UI of the website
- What is planned to be done until the next scrum meeting?
 - Split up the UI/UX tasks between teammates
- What are the hurdles?
 - Still in hospital so it is difficult to focus on anything other than my health

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Went through Django REST framework docs
- What is planned to be done until the next scrum meeting?
 - Continue going through django docs and tutorials to prepare for first contribute towards API feature
- What are the hurdles?

- N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Debugging PyKrige library
- What is planned to be done until the next scrum meeting?
 - Further visualization research and implementation
- What are the hurdles?
 - PyKrige errors

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Went through Django docs and tutorials
 - Had a meeting with John, Faran, and Brian
- What is planned to be done until the next scrum meeting?
 - Continue going through Django docs and tutorials
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finish setting up project environment
 - Split up into teams and created DB Teams
- What is planned to be done until the next scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
- What are the hurdles?
 - None

Day 9:

Daily Scrum Meeting Minutes: Sprint 2 - Day 9

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 7:00 PM

End time: 7:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with UI/UX team
 - Had debugging session to help one of my teammates get their project running
 - Went over front-end concepts and gave overview of what we will be working on
 - Went over some of the problem areas with current website
- What is planned to be done until the next scrum meeting?
 - Meet again on Monday with UI/UX team
 - Split up the UI/UX tasks between teammates
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Went through Django REST framework docs
- What is planned to be done until the next scrum meeting?
 - Continue going through django docs and tutorials to prepare for first contribute towards API feature
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Sidescan Sonar mission with PO
- What is planned to be done until the next scrum meeting?
 - Further visualization research and implementation
- What are the hurdles?
 - N/A

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Went through Django docs and tutorials
 - Went over backend concepts
- What is planned to be done until the next scrum meeting?
 - Meet with teammates on Monday
 - Split up API tasks among team members
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finish setting up project environment
 - Split up into teams and created DB Teams
- What is planned to be done until the next scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
- What are the hurdles?
 - None

Sprint 3:

Day 1:

Daily Scrum Meeting Minutes: Sprint 3 - Day 1

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 8:00 PM

End time: 8:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with PO and capstone team
 - Noting down and discussing how to change the current UI
- What is planned to be done until the next scrum meeting?
 - Meet with UI/UX team

- Meet with API team to do front end of login/registration
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Registration and login fix
 - Continued Django tutorial
- What is planned to be done until the next scrum meeting?
 - Make ~2hr progress on 4hr Django tutorial
 - Meet with API and UI team
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finished 3D Kriging heat map in python for mock data
- What is planned to be done until the next scrum meeting?
 - Complete kriging models for real data points with the correct variograms.
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Attended the Sprint Planning Meeting
- What is planned to be done until the next scrum meeting?
 - Fix registration and login
 - Have a meeting with API team
 - Meet with UI/UX team
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
 - Creating meeting minutes with DB team
- What is planned to be done until the next scrum meeting?
 - Designing DB for the data users collect with DB team
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
 - Ensure that the live data that is viewed can show up to 5 years
 - Create the ability to archive data past 5 years
- What are the hurdles?
 - None

Day 2:

Daily Scrum Meeting Minutes: Sprint 3 - Day 2

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 6:00 PM

End time: 6:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with API team to resolve login/registration problem
 - Refactoring and cleaning up the current site
 - Trying out different designs
- What is planned to be done until the next scrum meeting?
 - Meet with UI/UX team
 - Meet with API team and PO to go over designs
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Registration and login fix
 - Continued Django tutorial

- What is planned to be done until the next scrum meeting?
 - Make ~2hr progress on 4hr Django tutorial
 - Meet with API and UI team
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Correctly parsing real data
- What is planned to be done until the next scrum meeting?
 - Complete kriging models for real data points with the correct variograms.
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Resolved Registration and Login errors
 - Met with API team
- What is planned to be done until the next scrum meeting?
 - Start working on other user stories
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
 - Creating meeting minutes with DB team
- What is planned to be done until the next scrum meeting?
 - Designing DB for the data users collect with DB team

- Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- Ensure that the live data that is viewed can show up to 5 years
- Create the ability to archive data past 5 years
- What are the hurdles?
 - None

Day 3:

Daily Scrum Meeting Minutes: Sprint 6 - Day 2

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 9:00 PM

End time: 9:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Making final integrations and UI improvements
 - Working on final deliverables
- What is planned to be done until the next scrum meeting?
 - Finish deliverables and website
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Django tutorial progress
 - Met with API team
- What is planned to be done until the next scrum meeting?
 - Make more progress on tutorial
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - D3.js documentation for kriging
- What is planned to be done until the next scrum meeting?
 - Complete kriging models for real data points with the correct variograms.

- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with PO for clarifying a few questions that the API team had
 - Made progress on django tutorial
- What is planned to be done until the next scrum meeting?
 - Watch Python Rest API tutorial
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continue debugging process, file issue on Django repo if I cannot resolve it
 - Continue reviewing Django docs
 - Creating meeting minutes with DB team
- What is planned to be done until the next scrum meeting?
 - Designing DB for the data users collect with DB team
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
 - Ensure that the live data that is viewed can show up to 5 years
 - Create the ability to archive data past 5 years
- What are the hurdles?
 - None

Day 4:

Daily Scrum Meeting Minutes: Sprint 3 - Day 4

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 6:00 PM

End time: 6:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Refactoring and changing up the current site
 - Working on homepage
- What is planned to be done until the next scrum meeting?
 - Meet with UI/UX team
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Django tutorial progress
- What is planned to be done until the next scrum meeting?
 - Make more progress on tutorial
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - D3.js documentation for kriging
- What is planned to be done until the next scrum meeting?
 - Complete kriging models for real data points with the correct variograms.
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Made progress on Django tutorial
 - Made progress on Flask Rest API tutorial
- What is planned to be done until the next scrum meeting?
 - Schedule a meeting with DB team

- Continue Django and Flask Rest API tutorial
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Designing DB for the data users collect with DB team
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- What is planned to be done until the next scrum meeting?
 - Ensure that the live data that is viewed can show up to 5 years
 - Create the ability to archive data past 5 years
- What are the hurdles?
 - None

Day 5:

Daily Scrum Meeting Minutes: Sprint 3 - Day 5

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 6:00 PM

End time: 6:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Refactoring and changing up the current site
 - Working on homepage
 - Did workshop on styling and front-end for capstone I team
- What is planned to be done until the next scrum meeting?
 - Continue changing up the site
 - Create new repo and add everyone
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Django tutorial progress

- What is planned to be done until the next scrum meeting?
 - Make more progress on tutorial
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Implemented simple 3D model in d3.js
- What is planned to be done until the next scrum meeting?
 - Complete kriging models for real data points with the correct variograms.
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Made progress on Django tutorial
 - Made progress on Flask Rest API tutorial
- What is planned to be done until the next scrum meeting?
 - Meet with DB team on Monday
 - Continue Django and Flask Rest API tutorial
 - Have a meeting with API team
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Designing DB for the data users collect with DB team
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- What is planned to be done until the next scrum meeting?
 - Ensure that the live data that is viewed can show up to 5 years
 - Create the ability to archive data past 5 years

- What are the hurdles?
 - None

Day 6:

Daily Scrum Meeting Minutes: Sprint 3 - Day 6

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 7:00 PM

End time: 7:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Refactoring and changing up the current homepage
 - Created new repo
- What is planned to be done until the next scrum meeting?
 - Continue changing up the site
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Implemented through REST framework functionality for CRUD operations to DB in mock bbquda project with Muddasir
 - Met with Database team to understand schema
- What is planned to be done until the next scrum meeting?
 - Start REST api creation on bbquda repo
 - Pair-programming with Muddasir
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Implemented simple 3D model in d3.js
- What is planned to be done until the next scrum meeting?
 - Complete kriging models for real data points with the correct variograms.
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with DB team on Monday
 - Continued Django and Rest API tutorial
 - Started working on API key creation for access to data
- What is planned to be done until the next scrum meeting?
 - Continue working on API key creation for access to data
 - Meet with API team
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Designing DB for the data users collect with DB team
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- What is planned to be done until the next scrum meeting?
 - Ensure that the live data that is viewed can show up to 5 years
 - Create the ability to archive data past 5 years
- What are the hurdles?
 - None

Day 7:

Daily Scrum Meeting Minutes: Sprint 3 - Day 7

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 7:00 PM

End time: 7:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2

- What was done since the last scrum meeting?
 - Refactoring and changing up the current homepage
- What is planned to be done until the next scrum meeting?
 - Continue changing up the site
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finished REST api mock project to fully understand REST framework
 - Pair-programming with Muddasir for REST api for researcher api
- What is planned to be done until the next scrum meeting?
 - Continue making the API for researcher
 - Fix registration issue preventing multiple superusers
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with PO regarding research team data collection.
- What is planned to be done until the next scrum meeting?
 - Complete kriging models for real data points with the correct variograms.
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on API key creation for access to data
 - Peer programming with John for researcher API
- What is planned to be done until the next scrum meeting?
 - Continue working on API key creation for access to data
 - Fix registration issue

- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Designing DB for the data users collect with DB team
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- What is planned to be done until the next scrum meeting?
 - Ensure that the live data that is viewed can show up to 5 years
 - Create the ability to archive data past 5 years
- What are the hurdles?
 - None

Day 8:

Daily Scrum Meeting Minutes: Sprint 3 - Day 8

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 7:00 PM

End time: 7:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Refactoring and changing up the current homepage
- What is planned to be done until the next scrum meeting?
 - Continue changing up the site
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with API team to delegate tasks to clean up repo for readability
 - PR for API "GET" and "DELETE" operations on the user data type with Muddasir
 - Debugged multiple superuser issue I am facing on my system with Muddasir
- What is planned to be done until the next scrum meeting?
 - Start Dataset API
- What are the hurdles?

- N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Implemented maps in d3.js
- What is planned to be done until the next scrum meeting?
 - Complete kriging models for real data points with the correct variograms.
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with API team to delegate tasks to clean up repo for readability
 - Worked with John to fix registration to have multiple superuser
- What is planned to be done until the next scrum meeting?
 - Start working on Dataset API
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Designing DB for the data users collect with DB team
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- What is planned to be done until the next scrum meeting?
 - Ensure that the live data that is viewed can show up to 5 years
 - Create the ability to archive data past 5 years
- What are the hurdles?
 - None

Day 9:

Daily Scrum Meeting Minutes: Sprint 3 - Day 9

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 7:00 PM

End time: 7:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Cleaning up the frontend part of the repo
 - Implemented new UI/UX design for homepage
 - Debugging styling problems
- What is planned to be done until the next scrum meeting?
 - Continue changing up the site
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked with Muddasir to start dataset api creation
 - Walked through updated branch changes in the frontend and backend of project
 - Continued working on API creation for user uploaded data
- What is planned to be done until the next scrum meeting?
 - Start modularizing bbqudasite api into separate smaller apis on separate branch
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Replaced old map projection with Leaflet implementation
 - Updated project requirements for building on Windows
- What is planned to be done until the next scrum meeting?
 - Display 3D kriging at specific points on the map.
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - John and I started working on dataset API
- What is planned to be done until the next scrum meeting?
 - Continue working on the dataset API
 - Schedule a meeting with DB team
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Designing DB for the data users collect with DB team
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- What is planned to be done until the next scrum meeting?
 - Ensure that the live data that is viewed can show up to 5 years
 - Create the ability to archive data past 5 years
- What are the hurdles?
 - None

Day 10:

Daily Scrum Meeting Minutes: Sprint 3 - Day 10

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 3:00 PM

End time: 3:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Cleaning up the frontend part of the repo
 - Continuing styling and functionality changes in homepage
- What is planned to be done until the next scrum meeting?
 - Fix the routing and add new login/registration pages
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continued working on API creation for user uploaded data
- What is planned to be done until the next scrum meeting?
 - Continue modularizing bbqudasite api into separate smaller apis on separate branch
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Leaflet documentation on HeatCanvas
- What is planned to be done until the next scrum meeting?
 - Display general kriging over the map
 - Display 3D kriging at specific points on the map.
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on dataset API
 - Made a list of questions to ask Greg during Sprint planning meeting.
- What is planned to be done until the next scrum meeting?
 - Attend sprint planning meeting and ask Greg to clarify a few things regarding researcher API
 - Schedule a meeting with DB team to formulate a schema that best represents the researcher user type. Also discuss if it will be a good idea to have a remote database instead of a local database.
 - Follow up with capstone I team and check their progress
 - Continue working on the API with John
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2

- What was done since the last scrum meeting?
 - Designing DB for the data users collect with DB team
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- What is planned to be done until the next scrum meeting?
 - Ensure that the live data that is viewed can show up to 5 years
 - Create the ability to archive data past 5 years
- What are the hurdles?
 - None

Sprint 4:

Day 1:

Daily Scrum Meeting Minutes: Sprint 4 - Day 1

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 3:00 PM

End time: 3:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Fixing the routing and navigation to add login/registration button
 - Working with capstone I UI team members in how to use github and make changes on the repo
 - Incorporating the new UI design into all the other pages
- What is planned to be done until the next scrum meeting?
 - Change login/registration page to follow new UI design
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continued working on API creation for user-uploaded data
- What is planned to be done until the next scrum meeting?
 - Add more logic to dataset_api on API branch
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Leaflet documentation on HeatCanvas
- What is planned to be done until the next scrum meeting?
 - Display general kriging over the map
 - Display 3D kriging at specific points on the map.
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked with John on API creation for user-uploaded data
 - Had a meeting with the API team
- What is planned to be done until the next scrum meeting?
 - Have a meeting with DB team to decide which remote database to use
 - Continue working on the API
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Designing DB for the data users collect with DB team
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- What is planned to be done until the next scrum meeting?
 - Ensure that the live data that is viewed can show up to 5 years
 - Create the ability to archive data past 5 years
- What are the hurdles?
 - None

Day 2:

Daily Scrum Meeting Minutes: Sprint 4 - Day 2

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 3:00 PM

End time: 3:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continuing fixing routing
 - Incorporating the new UI design into all the other pages
- What is planned to be done until the next scrum meeting?
 - Change login/registration page to follow new UI design
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Added more logic API creation for user-uploaded data on API branch
- What is planned to be done until the next scrum meeting?
 - Review capstone 1 PR
 - Continue working on dataset_api
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Passed kriging data to d3.js
 - Overlay map on Leaflet pane
- What is planned to be done until the next scrum meeting?
 - Display general kriging over the map
 - Display 3D kriging at specific points on the map.
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?

- 2
- What was done since the last scrum meeting?
 - Worked with John on API creation for user-uploaded data
 - Had a meeting with the API team
 - Had a meeting with DB team to decide which remote database to use

 - Ensure that the live data that is viewed can show up to 5 years
 - Create the ability to archive data past 5 years
- What are the hurdles?
 - None

Day 3:

Daily Scrum Meeting Minutes: Sprint 4 - Day 3

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 3:00 PM

End time: 3:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Creating new login/registration page
 - Incorporating the new UI design into all the other pages
- What is planned to be done until the next scrum meeting?
 - Continue changing login/registration page to follow new UI design
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?

- 2
- What was done since the last scrum meeting?
 - Started Review for capstone 1 PR
 - Added more logic API creation for user-uploaded data on API branch
- What is planned to be done until the next scrum meeting?
 - Review capstone 1 PR
 - Continue working on dataset_api
- What are the hurdles?
 - N/a

Adrian Perez:

- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - API creation
- What is planned to be done until the next scrum meeting?
 - Continue working on dataset_api
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Overlay map on Leaflet pane
 - Researched displaying data on an isolated water layer
- What is planned to be done until the next scrum meeting?
 - Display general kriging over the map

- Display 3D kriging at specific points on the map.
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Added more logic API creation for user-uploaded data on API branch
- What is planned to be done until the next scrum meeting?
 - Have a meeting with API
 - Continue working on API
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Designing DB for the data users collect with DB team

 - Create the ability to archive data past 5 years
- What are the hurdles?
 - None

Day 6:

Daily Scrum Meeting Minutes: Sprint 4 - Day 5

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 3:00 PM

End time: 3:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2

- What was done since the last scrum meeting?
 - Creating new login/registration page
 - Incorporating the new UI design into all the other pages
- What is planned to be done until the next scrum meeting?
 - Continue changing login/registration page to follow new UI design
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Had a meeting with the PO
 - Had a meeting with the API team
 - Found some bugs in bbqudasite while working on the API
- What is planned to be done until the next scrum meeting?
 - Continue working on dataset_api
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Overlay map on Leaflet pane
 - Researched displaying data on an isolated water layer
- What is planned to be done until the next scrum meeting?
 - Display general kriging over the map
 - Display 3D kriging at specific points on the map.
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Had a meeting with the PO
 - Had a meeting with the API team
 - Found some bugs in bbqudasite while working on the API

- Initialized firebase for API
- What is planned to be done until the next scrum meeting?
 - Continue making progress on the API I
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Made firebase account to setup remote database
 - Designing DB for the data users collect with DB team
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- What is planned to be done until the next scrum meeting?
 - Ensure that the live data that is viewed can show up to 5 years
 - Create the ability to archive data past 5 years
- What are the hurdles?
 - None

Day 7:

Daily Scrum Meeting Minutes: Sprint 4 - Day 8

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 3:00 PM

End time: 3:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Editing the new login/registration page
 - Incorporating the new UI design into all the other pages
- What is planned to be done until the next scrum meeting?
 - Continue changing login/registration page to follow new UI design
- What are the hurdles?

 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- What are the hurdles?
 - None

Day 2:

Daily Scrum Meeting Minutes: Sprint 4 - Day 2

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 3:00 PM

End time: 3:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Debugging the new login/registration page
 - Refactoring the code of the new UI design
- What is planned to be done until the next scrum meeting?
 - Finish debugging
 - Meet with capstone 1 team
- What are the hurdles?

- N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Connecting Firebase DB to bbqudasite app
 - dataset_api
- What is planned to be done until the next scrum meeting?
 - Continue working on dataset_api
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Connected HTML to Flask backend and displays real data
- What is planned to be done until the next scrum meeting?
 - Complete Flask to HTML connection for kriging.
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Updated bbqudasite API to give json response of csv datasets from orm
- What is planned to be done until the next scrum meeting?
 - Continue making progress on the API
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Cap 1 Granted access to firebase

- Made firebase account to setup remote database
- What is planned to be done until the next scrum meeting?
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- What are the hurdles?
 - None

Day 3:

Daily Scrum Meeting Minutes: Sprint 4 - Day 3

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 8:00 PM

End time: 8:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Making new pages
 - Refactoring the code of the new UI design
- What is planned to be done until the next scrum meeting?
 - Finish debugging
 - Meet with capstone 1 team
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Connecting Firebase DB to bbqudasite app
 - dataset_api

- What are the hurdles?
 - None

Day 5:

Daily Scrum Meeting Minutes: Sprint 5 - Day 5

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 7:00 PM

End time: 7:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Delegated some tasks to capstone 1 team
 - Debugging login/registration page
- What is planned to be done until the next scrum meeting?
 - Finish debugging
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finished API as Json response
 - Met with API team
- What is planned to be done until the next scrum meeting?
 - Work on frontend portion of API tab
 - Add public keys to datasets
- What are the hurdles?
 - N/a

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Integrating HTML and Python data processing functions into the Django framework
- What is planned to be done until the next scrum meeting?
 - Complete Flask to HTML connection for kriging.
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on bbquda api
- What is planned to be done until the next scrum meeting?
 - Continue making progress on the API
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Cap 1 Granted access to firebase
 - Made firebase account to setup remote database
- What is planned to be done until the next scrum meeting?
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- What are the hurdles?
 - None

Day 6:

Daily Scrum Meeting Minutes: Sprint 5 - Day 6

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 5:00 PM

End time: 5:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with PO
 - Working on missions page
 - Debugging registration page
- What is planned to be done until the next scrum meeting?
 - Finish debugging
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Met with PO
 - Added authentication modules for API
 - Fixed username bug for superusers
- What is planned to be done until the next scrum meeting?
 - Work on frontend portion of API tab
 - Continue to add public keys to datasets
- What are the hurdles?
 - Can't authenticate with username based on previous team's login setup

Adrian Perez:

- How many hours did I work since the last meeting?
 - 4
- What was done since the last scrum meeting?
 - Leaflet heatmaps now working in overall Django project
- What is planned to be done until the next scrum meeting?
 - Button for selecting csv file to show heat map for
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Met with PO
 - Finished API JSON response
 - Added authentication modules to api
- What is planned to be done until the next scrum meeting?
 - Continue to add public keys to datasets
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Cap 1 Granted access to firebase
 - Made firebase account to setup remote database4
 - Created Firebase cloud storage
 - Working with cap 1 to connect Firebase
 - Defining roles in Django
- What is planned to be done until the next scrum meeting?
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- What are the hurdles?
 - None

Day 7:

Daily Scrum Meeting Minutes: Sprint 5 - Day 7

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 5:00 PM

End time: 5:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with PO
 - Working on missions page
 - Debugging registration page
- What is planned to be done until the next scrum meeting?

- Finish debugging
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Worked on frontend portion of API tab
- What is planned to be done until the next scrum meeting?
 - Continue working on frontend portion of API tab
 - Continue to add public keys to datasets
- What are the hurdles?
 - Can't authenticate with username based on previous team's login setup

Adrian Perez:

- How many hours did I work since the last meeting?
 - 4
- What was done since the last scrum meeting?
 - Fixing bug with Heatmap Card selection from homepage
- What is planned to be done until the next scrum meeting?
 - Button for selecting csv file to show heat map for
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Started working on the frontend for API tab
- What is planned to be done until the next scrum meeting?
 - Continue working on the frontend for API
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2

- What was done since the last scrum meeting?
 - Cap 1 Granted access to firebase
 - Made firebase account to setup remote database4
 - Created Firebase cloud storage
 - Working with cap 1 to connect Firebase
 - Updated code for admin view
 - Working with API team on users AUth
 - Defining roles in Django
- What is planned to be done until the next scrum meeting?
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- What are the hurdles?
 - None

Day 8:

Daily Scrum Meeting Minutes: Sprint 5 - Day 8

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 5:00 PM

End time: 5:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Fixed registration and login page
 - Improving the missions page
- What is planned to be done until the next scrum meeting?
 - Continue making UI changes
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Met with PO to go over developed API
 - PR user auth branch changes to master branch
 - Added authentication for REST API, but am running into permissions issues
- What is planned to be done until the next scrum meeting?
 - Debug permission issue for API key
 - Integrate public API key in endpoint

- Run test cases from remote python script to access API with public key
- What are the hurdles?
 - New to API testing

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Fixed bug with Heatmap Card selection from homepage
 - Met with Capstone I teammate to sync
- What is planned to be done until the next scrum meeting?
 - Button for selecting csv file to show heat map for
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Met with PO for feedback on the development
 - Worked on the API
- What is planned to be done until the next scrum meeting?
 - Debug API auth errors
 - Work on the frontend for API
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Cap 1 Granted access to firebase
 - Made firebase account to setup remote database4
 - Created Firebase cloud storage
 - Working with cap 1 to connect Firebase
 - Updated code for admin view
 - Working with API team on users AUth
 - Defining roles in Django

- What is planned to be done until the next scrum meeting?
 - Determine what can be viewed by each of the API roles (Admin, Researcher, General)
- What are the hurdles?
 - None

Day 9:

Daily Scrum Meeting Minutes: Sprint 5 - Day 9

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 5:00 PM

End time: 5:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Debugging upload csv problem
 - Improving the missions page
- What is planned to be done until the next scrum meeting?
 - Continue making UI changes
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 3
- What was done since the last scrum meeting?
 - Debugged permission issue for API key
 - Integrated public API key in endpoint
 - Ran test cases from remote python script to access API with public key
- What is planned to be done until the next scrum meeting?
 - Finalized the changes, fix any bugs, and wrap up the development
- What are the hurdles?
 - New to API testing

Adrian Perez:

- How many hours did I work since the last meeting?
 - 5
- What was done since the last scrum meeting?
 - Button for selecting csv and parameter
- What is planned to be done until the next scrum meeting?

- Button for selecting csv file to show heat map for
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Debugged API errors
- What is planned to be done until the next scrum meeting?
 - Finish the frontend part for API
 - Test the implementation
 - Finalize the changes and wrap up all the development
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Cap 1 Granted access to firebase
 - Made firebase account to setup remote database4
 - Created Firebase cloud storage
 - Working with cap 1 to connect Firebase
 - Updated code for admin view
 - Working with API team on users AUth
 - Defining roles in Django
- What is planned to be done until the next scrum meeting?
 - Debug database functions
- What are the hurdles?
 - None

Day 10:

Daily Scrum Meeting Minutes: Sprint 5 - Day 10

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 5:00 PM

End time: 5:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continued debugging upload csv problem
 - Improving the missions page
- What is planned to be done until the next scrum meeting?
 - Continue making UI changes
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on bugs
- What is planned to be done until the next scrum meeting?
 - Finalized the changes, fix any bugs, and wrap up the development
- What are the hurdles?
 - New to API testing

Adrian Perez:

- How many hours did I work since the last meeting?
 - 8
- What was done since the last scrum meeting?
 - Completed heat map function
- What is planned to be done until the next scrum meeting?
 - Fix small errors with tool
 - Integrate into new UI
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2

- What was done since the last scrum meeting?
 - Debugged API errors
- What is planned to be done until the next scrum meeting?
 - Finish the frontend part for API
 - Test the implementation
 - Finalize the changes and wrap up all the development
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Cap 1 Granted access to firebase
 - Made firebase account to setup remote database4
 - Created Firebase cloud storage
 - Working with cap 1 to connect Firebase
 - Updated code for admin view
 - Working with API team on users AUth
 - Defining roles in Django
- What is planned to be done until the next scrum meeting?
 - Debug database functions
- What are the hurdles?
 - None

Sprint 6:

Day 1:

Daily Scrum Meeting Minutes: Sprint 6 - Day 1

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 5:00 PM

End time: 5:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Continued debugging upload csv problem
 - Improving the missions page
- What is planned to be done until the next scrum meeting?

- What are the hurdles?

- N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Worked on bugs
- What is planned to be done until the next scrum meeting?
 - Finalized the changes, fix any bugs, and wrap up the development
- What are the hurdles?
 - New to API testing

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - General bug fixing: relative file paths now implemented for heatmap
- What is planned to be done until the next scrum meeting?
 - General bug fixing
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Had a meeting with PO
- What is planned to be done until the next scrum meeting?
 - Finish the frontend part for API
 - Start working on the final deliverables
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Cap 1 Granted access to firebase

- Made firebase account to setup remote database4

- What are the hurdles?
 - None

Adrian Perez:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Made final pushes and changes to the master branch.
- What is planned to be done until the next scrum meeting?
 - Prepping for project showcase
 - Any last minute updates to conform to the UI
- What are the hurdles?
 - None

Muddasir Riaz:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Finished frontend for API
 - Worked on final deliverables
- What is planned to be done until the next scrum meeting?
 - Continue working on the final deliverables
- What are the hurdles?
 - None

Meleik Hyman:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Made new function for user DB
 - Rewrote code the run more smoothly with site changes
 - Optimized code layout and imports
 - Created new meta with permissions for user groups
 - Pushed new code to github
- What is planned to be done until the next scrum meeting?
 - Debug database functions
 - Working on final deliverables
- What are the hurdles?
 - None

Day 6

Daily Scrum Meeting Minutes: Sprint 6 - Day 6

Attendees: John Quitto-Graham, Catherine Angelini, Adrian Perez, Muddasir Riaz, Meleik Hyman

Start time: 7:00 PM

End time: 7:30 PM

Catherine Angelini:

- How many hours did I work since the last meeting?
 - 2
- What was done since the last scrum meeting?
 - Making final integrations
 - Met with UI team

- Working on final deliverables
- What is planned to be done until the next scrum meeting?
 - Continue making UI changes
- What are the hurdles?
 - N/A

John Quitto-Graham:

- How many hours did I work since the last meeting?
 - 2
