

Sprint Planning Meeting Minutes:

Attendees: James Davidovich-Sager, Giancarlo Perez, Max Garcia Del Pozo, Moiz Khatri, Ricardo Estrella

Start time: 8:30 pm

End time: 9:00 pm

After discussion, the velocity of the team was estimated to be 50 hrs

The product owner chose the following user stories to be done during the next sprint. They are ordered based on their priority.

- User story 3 Theme Research, As a developer I want to understand how other products have used color combinations that help maintain user engagement.
- User story 5 Theme implementation, As a developer I want to implement different UI themes so that users can select which UI appearance best interests them.
- User Story 1 Formula Research, As a developer I want to understand how other products have created formulas based on users' strength/speed.
- User story 2 Formula Creation, As a developer I want to create a formula that helps objective judge users' performance.
- User story 6 UI clean up, As a developer I want to improve the UI so that users can more easily understand what they are seeing.
