Approval of Previous Agenda

Approval of Previous Minutes

Start Time: 7:15

Business From the Previous Meeting

Previous topics raised were Project history and specifications.

- Project history was not fully given during meeting but was sent after the meeting. Pictures of previous group's code running, Project report, and Project code.
- Project specifications were what game modes were included, previous GUI, and what still required implementation.

New Business

Project work done by previous team was sent via email. Copies of previous team's code and project reports were sent out to all team members.

Discussion of previous team's programming language selection (C#). All team members stated that they do not know C#.

Additions to the Agenda

Scheduling of week's next meetings to not conflict with member's classes/work.

Adjournment:

Meeting concluded at 8:00 pm and was adjourned by James Davidovich-Sager. The next meeting will be held at 5:30pm, 9/1/2020, on Zoom.
