

20190715 - Sprint 12 Pre-Planning Minutes

Start: 1:00pm

End: 1:30pm

- Make look and feel more like VPS Management and User Management - spreadsheet style
- Make separate pages for credit cards, bank accounts, and subscriptions
- Allow admin to see and edit Stripe settings in a new page
- Create a function for checking if a user has created a subscription (hasUserPaidForSubscription())
