Start time: 7:21am

End time: 7:32am

What went wrong?

- Improve note taking process during daily scrum meetings
- Improve advisor/advisee relationships within team
- Environment set up process was more tedious than it could have been
- Utilize accumulated team knowledge instead of going to mentors first
- Did not get to develop a lot due to development environment setup
- Self management is a bit difficult due to learning the system

What went right?

- Communication within WhatsApp
- Teammates were very helpful
- Helped each other with what we knew
- Everyone is nice to each other
- Everyone was on time to each daily scrum meeting

How to address the issues in the next sprint?

- Talk with each other first instead of going to mentors
