---

Attendees: Eddy Mogollon Pablo Mueller

Date: 24 Jan 2019

Start time: 11:30AM

End time: 12:45PM

Eddy Mogollon:

- What was done since the last scrum meeting?
  - Restructured git branches for more clarity in development.
  - Worked on some mock data according to the original e-mail:
    - Defendant Booking MUGID Jail number
    - Defendant name
    - Defendant DOB
    - Defendant address
    - Case number
    - Charge type
    - Charge Degree
    - Charge Statute
    - Charge Description
    - Disposition
    - Disposition date
    - Registry expiration date
  - Documentation Templates for Sprints and Features
- What is planned to be done until the next scrum meeting?
  - Continue working on the data and integrating the fields to the Card Component
- What are the hurdles?
  - We are still missing (day 2) certain information from the product owner. For example: County standards, mock data for the card components and the description of the website from the communications department.

Pablo Mueller:

- What was done since the last scrum meeting?
  - Worked on the Card Component, styling, etc.
  - Created some Epics because it made more sense to structure the JIRA board that way, and assigned User Stories to those Epics.
  - Documentation Templates for Sprints and Features
- What is planned to be done until the next scrum meeting?
  - Continue working on the Card Component, since it's the project's keystone.
- What are the hurdles?
  - We are still missing (day 2) certain information from the product owner. For example: The font and county standards with regards to the look and feel of the website.
